Congratulations to the Year 12 Class on 2015 on their excellent results.

Ben John attained at ATAR of 99.15 and is the College Dux. Ben also came 20th in NSW in Ancient History. Ben is a remarkably talented all-rounder - captaining the 1st XI Football Team (Footballer of the Year), playing the lead role in the College drama production “Honest Iago” in 2014 and being a College Prefect.

Congratulations also to Matthew Harris (98.5 ATAR) named as a Top All-Rounder (achieving 90 or more in 10 or more units) and who came 6th in NSW in Legal Studies; and College Vice-Captain Matthew Buskariol (98.45) who came 18th in NSW in the very demanding Advanced English course.

Overall, 10 students attained ATARS over 95 and 25 students attained ATARS over 90. Fifty percent of students attained ATARS over 75.

The College had 95 mentions in the Merit List (students achieving 90 or more in a course) - a fine achievement for our College which is academically non-selective.

I would like to acknowledge with appreciation the wonderful professionalism and dedication of the College teaching staff who prepared the boys so well in a range of subjects. The College continues to provide a wide range of opportunities for boys to excel in all aspects of College life.

It is particularly pleasing that so many of the boys balanced their academic achievements with a high level of involvement in the College’s co-curricular and extra-curricular program, or were active as student leaders. Activities such as Aboriginal Immersions experiences, the many hikes and other excursions as well as concerts, sports programs and social justice initiatives provide students with a broad range of personal development opportunities outside of the classroom.

John Couani
