From the Acting Principal
Welcome back to a new term and second semester, with the opportunity of new beginnings.

JOHN COUANI
John Couani sends us all his best wishes for the term as he continues his professional leave through until 21 August. He reported he had been to Mass in Salzburg yesterday with incredible music as befits the venue. John also visited with Edmund Rice International at UNO in Geneva which is an advocacy body in social justice and human rights areas. He will follow up with the 19th European Conference on Literacy and an International Principals’ Symposium in Helsinki.

ANNOUNCEMENT
It is a pleasure to share with the entire SPX community news of the appointment by Edmund Rice Education Australia of Mr Mark Casey as Deputy Principal of St Pius X College to commence in 2016. Mr Jeff Croser, Director of Regional Support Eastern Region, made the announcement to staff yesterday here at the College.

Mark is currently our Assistant Principal Mission and Identity and comes replete with a wealth of experience in Christian Brothers and Catholic Education.

We congratulate Mark and assure him of our support as he moves into this significant leadership position. The EREA official notification is on the College website.

STAFFING
Welcome back Mr Bernard Batchelor from his term’s leave and thanks to Mr Simon Yue and Ms Rachel Mowle who were in new Guidance Coordinator roles last term.

A special SPX welcome to new members of staff: Ms Joanne Raheb-Mol (Learning Support Coordinator), Mr Joseph Lai (Computing Studies) and Mr Jamie Kim in IT Support.

PARENT/TEACHER/STUDENT INTERVIEWS
Thanks to Mr Alex Damo and Mr Greg Bell who organized our innovative venture of Years 5 to 10 interviews on Monday this week (in lieu of, for the Secondary School, stand-alone Parent/Teacher nights). Feedback on this approach is welcomed via feedback@stpiux.nsw.edu.au

STUDENTS
Term 3 is a most important time for students. Year 12 commence their Trial HSC in Week 3. It provides a real experience for their October examinations and usually entails the last of any assessments. Major and practical works/performances in many subjects are also due soon thereafter.

Year 11 face their End of Preliminary Year examinations in Week 9. Years 5-10 need to reflect critically on feedback from Semester 1 and set their course of studies for this semester, setting goals and improvement targets.

The life of a student is not an easy one and we need to keep them in our thoughts and prayers.
Lord, help me to do my best at school and not just be there because I have to. Let me appreciate the opportunity to learn new and better things and also to recognise and value my parents’ support for me. May I help my classmates in their difficulties, respond to my teachers and grow in self-confidence and maturity as a learner this term. Amen

TOURS
Congratulations to our various touring groups over the vacation. Basketball, Football and Rugby squads represented the College in Queensland in recent weeks and although not bringing home any silverware their demeanour, sportsmanship and behavior was widely praised. I publicly thank these staff who gave of their time and energy to provide this opportunity for our boys:

Basketball: Mr Gibson, Ms Akkari
Football: Mr Yue, Mr Quilty, Ms Proc
Rugby: Mr Stearn, Messrs Sean and Adrian Brannan, Mr Virgona, and Mr Lynch

Mr Jim Olson

RECONCILIATION
Within our Catholic Faith tradition there is a wonderful sacrament that clears our conscience and that corrects our relationship with God and that is reconciliation. In the secular world this means to repair a damaged relationship or to bring together estranged parties. In 21st century Australia it means to develop a unity between Indigenous and non-Indigenous Australians.

At St Pius X we are attempting to build this unity through developing a greater awareness of the traditional custodians of the land and through inviting Aboriginal artists, performers and educators to speak to our young men about the land, totems, spirituality and culture. Visibly in our office we now display Aboriginal artwork and now many of our sporting teams have reconciliation jerseys designed by Aboriginal artists and this week some sports will celebrate an indigenous round.

Last term our basketball and rugby teams displayed these wonderful uniforms during our reconciliation ceremony. In art, sport and wherever possible our community is attempting to raise our awareness and understanding of our collective history.

We recognise that reconciliation is a process, but we are engaging with this process authentically and sincerely. As a community we are attempting to raise an awareness of the deep spirituality of our ancient land that the Cammeraygal people nurtured and sustained for 50,000 years in the hope that we bring together cultures in a spirit of true reconciliation.

Mr S Hopley - Acting Assistant Principal Mission and Identity

From the Youth Ministry Coordinator

**WYD 2016 KRAKOW POLAND:** The planning and organisation of a St Pius X College contingent to travel to Europe for the largest gathering of Catholic youth ever assembled in July 2016 rolls on this term. Tonight (Wednesday 15 July) we are holding an information evening in the Sarto Centre from 7pm for the 30 plus families who have returned their signed expression of interest forms to the College.

As previously stated attendance is compulsory for the students and at least one parent or caregiver (unless prior notification has been given).

We are fortunate to have Kelly Paget; Youth Ministry Team Coordinator from Broken Bay Diocese available to assist presenting the detail at our meeting. Kelly has recently returned from a fact finding trip to Krakow Poland and will be a valuable presence this evening.

**ONE YEAR OUT WYD MASS:** On Sunday the 26th of July the 5:30 Youth Mass at our Lady of Dolours Chatswood Parish a special presentation and blessing of all potential WYD Pilgrims will be made. This event coincides with a number of similar events being held around the Diocese this weekend to mark twelve months until the final Papal Mass in Krakow 2016. It also coincides with a ‘High School Youth Social Night’ being held in the Chatswood parish with pizza, drinks and social games available in the Bishop Barry meeting room at the conclusion of the Mass. Potential WYD Pilgrims from Mercy College, the Chatswood Parish and St Pius X College will attend on the evening gathering in the church from 5pm.

**VINNIES WINTER COMMUNITY SLEEPOUT:** I am looking for interested students 16 years of age and older to attend a sleep out at the Cathedral in late July. Join other young people in the Diocese as we seek to raise awareness and funds to support the Vinnies Winter Appeal. The sleepout is being held on the 25th-26th of July from 6pm Saturday until 9am Sunday, at The Light of Christ Centre (end of) Yardley Avenue Waitara. It will be a fun night and challenging; thermals and sleeping bags are essential. The St Pius X contingent with other school groups will be attending Mass with the Bishop on the Sunday morning. Please initially register your interest with Mr Adrian Brannan and we will make arrangements to register and book with the Diocese as a group.

**HIGH SCHOOL SOCIAL NIGHT CHATSWOOD PARISH:** Any student of the College is invited to attend the Chatswood Parish Social Night & Mass on Sunday the 26th of July, gathering in Our Lady of Dolours Church on Archer Street from 5pm with Pizza and social games in the Bishop Barry Meeting Room after Mass. All parents are welcome to attend if they wish. See the flyer attached in Woodchatta Extras or contact Mr Adrian Brannan for further detail.

**WYD 2016 FUNDRAISING:** World Youth Day will be an amazing experience for a contingent of our College students travelling to Europe next year in the largest gathering of Catholic Youth ever assembled. As with any international travel it will carry significant financial costs, to make this opportunity available to as many of our students as possible we are hoping to defray the costs through appropriate fundraising activities within the school community and beyond. I would welcome discussion with anyone who may be able to suggest any potential fundraising activities that the students could involve themselves in to raise money for this endeavour.

It is thanks to the amazing generosity of one of our SPX Parents that we have been able to put the following ‘Rock ’n Roll ’n Rugby’ fundraising raffle together. Outlined below and in the flyer in Woodchatta Extras is an amazing opportunity to win double pass Platinum Tickets to one of 3 events at ANZ Stadium in the coming months including; The Bledisloe Cup Game, the Monster Truck Rally and the highly anticipated AC/DC reunion Concert, all tickets will come with platinum parking at the venue. Each prize has a face value well in excess of $300 but in reality the opportunity to attend any of these events in the comfort and style offered is priceless; tickets to the sold out Bledisloe regularly fetch thousands on e-bay and in fundraising auctions in the lead up to the Test Match.

Tickets in the raffle are only $35 (with a maximum of 250 sold) each prize will be drawn in the lead up to the event (or once all tickets are sold) with the winners contacted directly by phone or email and published in the Woodchatta (any unsold tickets after the draw of the Bledisloe Tickets on the 1st of August will be sold for $20 until final draw or all sold).

Please do consider supporting our SPX students in this very worthwhile cause and give yourself and a friend the opportunity of an amazing experience in style and luxury.

To purchase tickets in ‘Rock ’n Roll ’n Rugby’ simply go to this trybooking site listed below with your credit card details.

From the Social Justice Coordinator

*It is easy to break down and destroy. The heroes are those who make peace and build.*

Nelson Mandela

Every year on 18 July, the day Nelson Mandela was born, the UN joins a call by the Nelson Mandela Foundation to devote 67 minutes of time to helping others, as a way to mark Nelson Mandela International Day.

For 67 years Nelson Mandela devoted his life to the service of humanity - as a human rights lawyer, a prisoner of conscience, an international peacemaker and the first democratically elected president of a free South Africa.

Students are back into Social Justice action this week with a Matthew Talbot Hostel for Men visit on Wednesday and Edmund Rice Society Meeting on Thursday lunchtime. Although we did not get to Willowood Nursing Home on Monday due to parent teacher interviews, we will be visiting again next Monday.

Mr D Blake

From the Business Manager

**CCTV**

As noted in the final Woodchatta of Term 2 we have now in the interests of further strengthening risk management established a CCTV system to monitor the perimeter of the College. Whilst the system is not been established in response to any particular incident, we see it as a cost effective and proportional step forward to minimise some of the College campus security risks.

The system will not provide coverage in any corridors, classrooms or other enclosed spaces. The focus of the system will be to monitor 24/7 the entry and exits from the Chatswood campus and in so doing, address matters of theft, vandalism and personal safety for all in our community. The footage will not be displayed in the College and will only be able to be viewed by senior members of staff.

**FLEXISCHOOLS IS COMING**

During Term 3 we will be establishing the Flexischools cashless option in the Chatswood canteen. The boys may have noticed that the terminals are already in place in readiness for the planned launch in Week 5. Sending your son to school with loose change is old school! Flexischools cashless card system will link with your sons existing school ID card, allowing him to purchase securely on the school grounds without the need for cash.

- Same menu, same prices – just a different system.
- Parents set up a Flexischools account online and pre-load the account with funds.
- Students make purchases at the canteen by scanning their card at the cash register.
- On-screen photo ID security protects your account from lost or stolen cards.
- Parents can view their students’ purchases online and can set a daily spending limit.
- Students can in no way draw cash from the card.

Cash can still be used at the Canteen if your son misplaces his card or if this is your personal preference. We will provide you with further details and advice on how to setup your account when we are closer to the launch date.

My great thanks to the College ICT Team for their fabulous assistance in both these important projects.

Mr A Ballesty

**Music and Co-Curricular Photo Orders**

Ordering of Music and other Co-curricular Photos has been extended till Friday 24th July. Order Forms can be collected at the Front Office and a copy has been placed in Woodchatta Extras. Please place all orders in the Silver Box at the College as soon as possible.

A MOVING AND HEARTFELT JOURNEY ON THE LAST DAY OF TERM

It happened again! No matter how many times we’ve heard the story of Anne Frank or pondered the evil that swept Europe in World War II, the simple writings of a young girl retain the power to engage, involve and move us now, an incredible seventy years later.

It happened for Year 10 English students on the last day of Term 2 at the New Theatre (Newtown). Performing solely for the Year 10 Form, the dual level stage closely mimicked the actual hiding space of the Frank and Van Daan families, who were forced to co-exist within four walls and for the most part in silence. This cramped and busy set perfectly projected the confinement and lack of privacy that was endured.

Accompanying their study of the core text MAUS by Pulitzer graphic novelist Art Spiegelman, students were able to witness on a theatrical level the story of ten ordinary people, who lived with unimaginable fear during World War II.

We all know how the story ends, but this adaptation of the original crafts an emotional climax. This was a moving and often startling production. It’s been 70 years since Anne Frank died, but her legacy endures and continues to impact young and old alike.

Mr A Listo - Assistant English Coordinator
Debating

Our amazing undefeated Year 12b debating team of Lyndon Maher, Harry Vinter and Adam Melzer were beaten on the last Friday of Term 2 by Fairfield (Patrician Brothers). These spectacular ‘quiet achievers’ have given so much to debating in their years at St Pius and deserve to be congratulated for their outstanding achievement as undefeated in the 2015 CSDA Competition until the Quarterfinals. Matthew Harris, our 2015 Debating Captain, pointed out that this was the equivalent of winning 72 debates. Congratulations again to these extremely talented young men on their achievement.

Our 11a team of Josiah Lising, Ryan Attard and Keenan Smith, won their Quarterfinal debate against Santa Sabina Strathfield. They will travel to the Semifinals this Friday night at OLMC Parramatta with Mrs Waterson. God luck to this team.

A big thankyou to Matthew Harris, Hans Lee and the Year 11 debaters who attended the Quarterfinal event at Marist North Sydney to support their team mates.

**FRIDAY WEEK 2 OF TERM 3 - ST PIUS HOSTING CSDA FINALS**

All debaters need to attend the CSDA Finals on Friday of Week 2 this term. Students from Year 7 to Year 12 will have Chairperson and Timekeeper roles on the night and all senior debaters will take on hosting roles as St Pius accommodates students and parents from 12 schools.

**SYDNEY DEBATING NETWORK DEBATE THIS FRIDAY EVENING**

All SDN Debaters need to ensure that they have returned the permission slip to Ms Waterson ASAP. SDN Debaters met with Ms Waterson on Tuesday morning to plan this Friday night’s trip and to receive adjudicator guidelines for the SDN Competition.

Chess

The official Chess season has come to a close. Unfortunately, no team has been successful in qualifying for the final rounds. However, we would like to take this opportunity to thank all students for their regular attendance at training and for the positive manner and good sportsmanship they displayed at Friday competition matches.

During training sessions the coaches from Sydney Academy of Chess organised an internal round robin for our senior students (Years 9-12). Isaac Ballesty of Year 9 was declared our “Grand Master” with Adriano Papandrea 2nd and Jack Maclaine placing 3rd. This is certainly a great accomplishment for Isaac and indicates he has a bright future in chess.

We would like to encourage all students to continue to practise their moves and so have made boards available for use at lunchtimes in the school library.

INTERVIEWS

Thankyou for attending the interviews about your sons. As you are the primary educator of your child it is important that we work together so your son can be the best person he can become. It was great to chat to so many of you.

DADS and GRANDFATHERS: DATE TO KEEP FREE

On the 3rd of September from 11.45 till 1.15 we have a Junior School Grandfather, Father and Son sporting afternoon at Oxford Falls. At approximately 1 pm we have a Sausage sizzle. If any mums are free to assist with the sausage sizzle then please keep the date free. We usually have enough mums to have 2 shifts- this means you can have some time to support your athletes! An application/sports choice form will be included in newsletters shortly. It is great fun and a good bonding opportunity! Start stretching gents!

JUNIOR SCHOOL WALKATHON

We have a charity Walkathon in Term 3 where we ask the boys to put themselves out and walk for people less fortunate than themselves. The Walkathon happens in school sports time at Oxford Falls. I think it is a wonderful life lesson and a sponsorship form with more information about the beneficiaries will be sent out in the coming weeks.

YEAR 6 MIDDLE CHILDHOOD SURVEY

We are participating in a Middle Childhood Survey which is a state wide initiative. A synopsis is below but a comprehensive brochure will be sent home and is also included in Woodchatta Extras. You do have the option to opt out but as it is anonymous it shouldn’t pose any issues.

The Middle Childhood Survey (MCS) is one component of the NSW Child Development Study. The MCS will provide an index of child mental health and wellbeing in the context of a longitudinal research study of children who were assessed using the Australian Early Development Index in 2009. The aim of the MCS is to measure the mental health of all NSW children at a critical stage of development, in order to better understand the needs of all children in this age-group, and how programs and policies for young children might be improved to meet these needs and promote healthy development into adulthood. The MCS is not a clinical diagnostic tool that could be used to “label” children or diagnose mental illness.

The MCS will be completed during class time by all children enrolled in Year 6 in 2015. The MCS will obtain anonymous information on children’s thoughts, feelings, actions, and experiences. The questions have been designed to map patterns of mental health and wellbeing at individual, regional, and population levels, for use by the Study’s Stakeholders and Partners [please see: NSW-CDS Organisational Structure Map] to plan policies and programs that promote healthy childhood development. The questions have been developed with input from representatives of all education sectors (Government, Catholic and Independent schools), as well as specially convened groups representing: the parents of public, Catholic, and independent school children; teachers’ and primary principals’ associations; Indigenous people; isolated students and parents; and, the study’s Scientific Committee of researchers. A Parent/Caregiver Information Leaflet can be found in Woodchatta Extras.

11 A RUGBY - EXTRA GAME

Please note that the 11 A’s have an extra game when we were supposed to have a bye. It is on Saturday 18th July against Mosman Prep. The game will be held at Balmoral at 9.30 am. See you there.

Rugby Re-Start

Seems like a lifetime since we last played. Starting again is a bit like coming back from injury or fighting your way out of a slump. There are certain skills that make it a little easier to get back into the flow of playing.

- **Enthusiasm.** This is a player’s greatest weapon. The desire to play, and play with freedom and enjoyment gets you on the front foot straight away.
- **Focus on the techniques** of the game at training. Tackling, passing, running lines are the basis of good performance.
- **Unit awareness.** You will have a position that is part of a unit, back row, back 3, front row etc. Make sure at training on Thursday you remind each other of how you work together.
- Remember team play is about playing for each other, supporting the ball carrier and going forward at all times in attack and defence. (The Highlanders proved this in winning Super 15)
- **Pre-game preparation** is really important. Remember the warm up is part of the game. Make sure the warm up practices are carried out with perfect execution.

Finally, arrive bursting to play and the result will take care of itself.

Time is limited as we need to notify the district organisations and cricket bodies with whom we are associated about the number of players and teams we will be entering into their respective competitions. Registration only takes a few minutes and there is no payment at this stage as fees for the new season will be included in your Term 4 College Fee invoice.

The link to the website to register is:  [http://www.trybooking.com/146929](http://www.trybooking.com/146929)

The district competitions are due to start in little more than eight weeks time and we need to get players registered, teams sorted, coaches and managers appointed and training organised. No sweat!

If you need any more information please contact Danny at secretary@stpiuscricket.org.au . Alternatively send an email to president@stpiuscricket.org.au and we’ll get back to you as soon as possible.

Dance: Thanks to all parents and friends who supported our Presentation performance on the final day of Term 2. The boys love the chance to partake in something new and different, and none seemed to suffer from stage fright. I commend them for the manner in which they threw themselves into the sessions. The judges could not be split on an eventual winner, with Purton and Rice sharing the chocolates. Barron took out 2nd place. A few photos can be found in Woodchatta Extras.

Cricket: Congratulations to Liam Chang (U12 Manly) who was recognised at the recent Manly Warringah Cricket Presentation Evening with a host of accolades. Liam received four Association Awards and set a new batting average record for his division, a record which had previously stood for 21 years. We commend Liam on these fine achievements.

Record linkage combines individual records from different agencies to a way that ensures all partners remain committed to non-reversibility. It provides a secure way to help researchers examine relationships between events at a population level. It also allows researchers to link children's information with information about their parents. You can read more about record linkage on the NSW-ACS website.

An example of record linkage is shown below - the identifying information is sent only to the Centre for Health and Record Linkage (CHaRLS), which links the identities, and sends the information back to the researcher. The child is replaced with a code number that is sent to the researcher for each record collection. The researchers then link individuals together using the code number, without ever knowing the identities of the participants in the files.

Welcome back, we are at the pointy end of the season with only four rounds until the finals. Congratulations and commiserations to the 1st XI touring side - a great result boys.

See the latest 1st XI fanzine - Shake Rattle & Goal on our website to see some great photos and commentary of the tour matches.

The weekly Results Round-up digital publication will return after this week’s matches - earlier editions are still on the website for those who missed them.

Thanks to those parents who contributed so far. We’ve had a great response so please keep it up.

This week’s ‘in focus’ teams are 14C, 15A and Open 3rds, so if you have a boy in one of these teams we really want you to take some action shots this weekend. We always welcome photos from any other match as well! We also need some full team photos now in preparation for the ‘Year in Review’ magazine.

Send your photos to footballspx@gmail.com - save this to your phone and upload those photos as soon as you take them. We need the photos in by Sunday afternoon.

The full senior calendar of matches is on our webpages as well - there are no times as they are only confirmed week to week.

We wish all our teams good luck this weekend - GO PIUS!!

GAMES THIS SATURDAY, 18th July – ISA Round #4 vs Kinross/The Scots School/Waverly - HOME
Hope all enjoyed a fun and relaxing break, now we are straight back into the action this weekend at Oxford Falls, predominantly hosting the lads from Orange. Best of luck to all teams against the various opposition schools.

OPENS QUEENSLAND TOUR
During the holidays, an Opens squad competed in The Gold Coast Invitational Tournament. The boys represented SPX with pride, achieving solid results and just as importantly made the most of the unique bonding and character building opportunities that squad rugby touring provides.

REPRESENTATIVE HONOURS – ISA Schools Rugby (for U16’s & U18’s age groups only)
Congratulations to the boys who competed in the NSW Schoolboys Rugby Championship, featuring rep teams from all the state’s schools conferences.

The U16’s squad – featuring SPX players Dominic Easy, Ryan Bento, Josh Thrum – displayed impressive skills throughout the rounds to make the final, eventually going down to the strong GPS 1 (President A) outfit. The U18’s squad – featuring SPX players Fraser Toohey and Ben Murphy - also had a strong tournament.

In the final stage of the schools rep program, it was great to see NSW beat QLD 22-20 in a close see-sawing final at the National Schools Championship. The Australian Schools & Barbarians squads were then selected – featuring several ISA 1st 15 players – and will now tackle the Samoa and New Zealand Schools Rep teams.

REPRESENTATIVE HONOURS – Sydney Junior Rugby Union (Club/District Rugby)
We congratulate all the SPX boys who gained selection and participated in the State Regional Tournament (U14’s-U16’s) last weekend, with a special mention to Dominic Easy (U15’s) in being selected in the highly competitive Sydney Rep Squad to face NSW Country in a few weeks time.

SPX v St STANISLAUS, away at Bathurst, Saturday 25th July - BOOK NOW, RESERVATIONS CLOSING!

We have arranged a great alternative in beautiful Blackheath, in the heart of the Blue Mountains and all that the area offers.

Please refer to the attached Flyer for details and make your booking.
