- **EAS – EDUCATIONAL ACCESS SCHEME [HTTP://WWW.UAC.EDU.AU/EAS/**]

Most of UAC’s participating institutions have Educational Access Schemes (EAS) to help students who have experienced long-term educational disadvantage gain admission to tertiary study. To be eligible for EAS consideration your educational performance must have been seriously affected, normally for a period of at least six months during Year 11 and/or 12 or equivalent, due to circumstances beyond your control and choosing. Applications due before end of term 3.

- **SRS – SCHOOLS RECOMMENDATION SCHEME [HTTP://WWW.UAC.EDU.AU/SRS/**]

Schools Recommendation Schemes (SRS) are one way institutions make early offers to current Australian Year 12 students who have applied for undergraduate admission through UAC. SRS are used by institutions to make offers of undergraduate admission using criteria other than (or in addition to) ATARs. These criteria may include school recommendations, senior secondary studies and personal awards and achievements. Closing date: 30th September.

- **EARLY OFFER SCHEMES**

The following institutions have early offer schemes for Year 12 students. Through these schemes, Year 12 applicants may be selected for courses independently of their final Year 12 results and on the basis of a range of criteria, including recommendations provided by schools/colleges.

Schools Recommendation Schemes (SRS) enable schools to recommend current Year 12 students, who are UAC applicants, for early offers of undergraduate admission. Applications are processed centrally by UAC although not all institutions participate in SRS. Institutions have their own policies on determining SRS eligibility and making offers. For further information about SRS, and to apply, visit UAC’s website at www.uac.edu.au/srs. While UTS remains part of SRS, it will be making offers in the Main Round and is therefore not included in the table below.

For other early offer schemes, applications must be made directly to the institution. Whether you apply through UAC or directly to an institution for an early offer scheme, you must apply through UAC for undergraduate admission.
