From the Principal

**SUNDAY 1 NOVEMBER  ALL SAINTS DAY**

**MONDAY 2 NOVEMBER  ALL SOULS DAY**

This Sunday, the 1st November is **All Saints Day** – a day to celebrate the lives of all the saints in Heaven and certainly it is most fitting that we remember our first Australian saint, St Mary of the Cross MacKillop; our College Patron, St Pius X and Founder, Blessed Edmund Rice. We ask them to: Pray for Us.

Monday the 2nd November, is All Souls Day. The whole month of November is dedicated to the Holy souls. A Novena for the Holy Souls in Purgatory begins on the first day of the month, the feast of All Saints, and ends on the 9th November, the feast of the dedication of the Basilica of Saint John Lateran in Rome and is the last Novena of the liturgical year. Therefore, this prayer ritual is repeated consecutively over nine days.

The intention of the Novena is to pray for the early release of holy souls from their sufferings ensuring their entrance into Heaven.

The form of the Novena has five parts:
- **Prayer of Saint Gertrude**
- The Prayer of the Church for the deceased:
  - Our Father – Hail Mary – Glory Be

**Prayer of Saint Gertrude**

Eternal Father, I offer Thee the Most Precious Blood of Thy Divine Son Jesus in union with the Masses said throughout the world today. I offer them for all the holy souls in purgatory, and for sinners everywhere; for sinners in the universal Church, for those in my own home and within my family. Amen

**The Prayer of the Church for the deceased**

Eternal rest grant unto them, O Lord. And let perpetual light shine upon them. May they rest in peace. Amen. May their souls and the souls of all the faithful departed through the mercy of God rest in peace. Amen.
NOVEMBER REMEMBRANCE BOOK
Throughout the month of November, our College Remembrance Book will be in our foyer for our Pius community to include the names of loved ones who have passed away, who will all be remembered in our prayers throughout November. Please feel free to add names or forward to Mr Casey at mcasey@stpiusx.nsw.edu.au names of loved ones to be include for these intentions.

On each Friday morning during November at 8.10am in LC2, Morning Prayer will be held. Morning Prayer throughout November is a time we to pray for all of the holy souls in this month of remembrance as well as any other intentions we wish to ask God. All are very welcome for this quiet time for reflection and prayer.

OUR LADY OF DOLOURS PARISH DINNER Friday 20 November - COME JOIN US!
Tickets are on sale for the Inaugural Our Lady of Dolours Chatswood Parish Thanks Giving Evening. You can order your tickets by email at ‘greg@chatswoodparish.org.au’ and deposit the money in the Chatswood Parish CBA bank account BSB 062-784 Account 10738005. Alternatively contact Jane Higgins at St Pius X College via jhiggins@stpiusx.nsw.edu.au

There will be 9 courses of delicious food presented, marvellous entertainment and will be lots of fun. Tickets will be limited to 300 guests, so please be quick.

The evening will be a time of celebration. It will be a time of recognition of all the wonderful work our parishioners are doing at Chatswood. Many are involved in bringing our faith to others, preparing our family and friends to be part of our sacramental church, supporting those in need and those who are suffering in our parish, in our country and in developing nations. It is also a time to celebrate and strengthen our relationship and common goals with our great Chatswood schools including OLD Parish Primary School, Mercy College and St Pius X College.

The evening will be a time of fund raising for our various ministries for the youth, for the aged, for those in need, and for the continual restoration of our beautiful and aging church and parish buildings. If you would like to help with fundraising, organising, catering, helping the preparation please contact the Parish Manager, Greg Smith on either 9410 9021 or greg@chatswoodparish.org.au. If you would like to make a donation please see the flyer in Woodchatta Extras.

SPOTLIGHT ON ENGLISH HIGH ACHIEVERS
International Writing Competition Celebrates those with Outstanding Talents
ICAS is an independent skills-based assessment with a competition element. It is unique, as it is the most comprehensive generally available suite of academic assessments and school tests for secondary school students.

Over one million student entries are accepted from over 6,300 schools in Australia and New Zealand annually. In addition, students from over 20 countries including Hong Kong, India, Malaysia, Singapore, South Africa and the USA participate in ICAS each year.

Amongst the benefits that ICAS provides is that it allows the College to identify potentially gifted students for further enrichment. Out of those million participants, St Pius College congratulates those students who were awarded High Distinction.

Year 11: Nicholas Parker and Declan Warn
Year 10: Ewan Cranston
Year 9: Phillip Cullen
Year 8: Jacob Hassan and Cameron Lorking
LIAM KNIGHT NOMINATED FOR 2016 YOUNG AUSTRALIAN OF THE YEAR

Congratulations to Liam Knight on being nominated for Young Australian of Year. This is in recognition of Liam’s work as an anti-violence advocate and the establishment of The White Knight Foundation to support victims of violence. He is a truly inspirational young man.

There are four wonderful young Australians who have reached this final stage of nominations and this will be announced on Australia Day.

STUDENT LEAVE – ADDITIONAL HOLIDAYS DURING TERM TIME

Parents need to be informed that the Board of Studies, Teaching and Educational Standards NSW (BOSTES) has advised all schools that holidays taken by students outside of school vacation periods will now be included as absences. A Certificate of Exemption can no longer be granted for this purpose.

When applying for additional absence from school, parents will be advised that taking students out of school for a holiday is considered as “unjustified absence and therefore recorded as A”.

This is the clear direction of BOSTES.

Mr John Couani

From the Assistant Principal – Mission and Identity

November begins with the celebration of All Saints Day. It is then followed with All Souls Day on the 2nd of November. It is the month when Christian churches remember in a special way those who have died.

The College has a Book of Remembrance that will be placed in our Main Foyer and we invite students, parents and staff to add names of people who you wish to be particularly remembered in all of our prayers throughout this month of November. Otherwise, please feel free to send a note into the School Office labelled, “Book of Remembrance” or emailed to me at mcasey@stpiusx.nsw.edu.au with the name and anniversary date of the loved one/s wished to remembered in our Prayers at Assembly each week.

On each Friday morning during November at 8.10am in LC2 Morning Prayer will be held. Morning Prayer throughout November is a time we to pray for all of the holy souls in this month of remembrance as well as any other intentions we wish to ask God. All are very welcome for this quiet time for reflection and prayer.

These special feast days help to remind us of our commitment to our faith and the action we take in care of our whole world.

The congregation heard the story about the work being done to provide clean drinking water for the villages in Madagascar. This project has helped thousands and saved the lives of so many. It is stories like this that make us feel so blessed with our own existence, as we always continue to strive to help others.

The Mass saw the gathering of representatives of every school in the diocese, be thanked for their individual work in supporting the Catholic Mission agencies, such as Caritas Australia, St Vincent de Paul as well as our own support for the varying Edmund Rice agencies from St Mary’s, Bowraville and St Joseph’s, Walgett to Callan Services in PNG.

ACADEMIC COMPETITIONS
During Monday’s assembly, we celebrated the achievements of students who received High Distinctions in the recent English International Competition and Assessment for Schools (ICAS) run by the University of NSW. To achieve at this level is very affirming for both the individual students and the college. Throughout a students learning journey at St Pius X College, from Years 5 to 10 he will participate in a regular schedule of academic competitions in the subjects of English, Science and Mathematics. In Year 10 there will also be an additional competition for Geography.

These competitions are a very important component of our overall assessment program as they provide valuable diagnostic information for each student. Of course we celebrate the high achievers but we also carefully analyse each student’s results and compare this to his standard of achievement at the college. When competition results align with a student’s school achievement, it affirms our assessment processes. When there are anomalies, this generates discussion at various levels for those particular students. Other benefits include identifying potentially gifted students or those that may require further attention. They are also very useful for identifying areas of weakness in a group of students and therefore assist in school planning and resource allocation.

When attempting these competitions, we encourage all students to participate to the best of their ability and to not simply view these assessments as competitions but rather as opportunities for them to let their light shine.

EDMUND RICE BEYOND BORDERS, SOUTH AFRICA CONFERENCE, 2015
Over 82 delegates representing 54 Edmund Rice Schools and Colleges from 19 countries worldwide converged on South Africa last week to share ideas, initiatives and best practice in bringing the network of Edmund Rice Schools together to the mutual benefits of our students, schools and wider communities.

Hosted by Br Michael De Klerk and the 5 South African ER / Christian Brothers Colleges, Dr Wayne Tinsey, Executive Director of Edmund Rice Education Australia played a lead role in coordinating the Edmund Rice Beyond Borders conference.

Proudly following our work with Gerehu, Callan Services in Papua New Guinea in conjunction with our Kokoda Expedition Immersion experiences last year, St Pius X College is a lead school in this exciting initiative. Mr Couani’s Nairobi, Kenya and PNG immersions with the Edmund Rice outreach programs in 2014 launched EREBB as an entity for the development of connections between ER schools globally.

The theme of the Conference was “educating with Ubuntu” which is a Zulu term paraphrased by Bishop Desmond Tutu to mean: “I am because you are” and “you are because we are”. It is a wonderful way to look at how we work and operate together and is based on very real and caring relationships where people are not treated in a superficial way but really get to know each other. Humanity shared through kindness, connectedness and inter relationships.

As part of their induction and transitions within St Pius as an Edmund Rice institution, our students and staff will make meaningful contact with Edmund Rice students and educators in South America, Ireland, North America, Papua New Guinea, India, New Zealand, and East, West and South Africa, over the coming years. This bringing together of students and schools in the Edmund Rice tradition should widen our perspective and enrich our lived experience of what it can mean to follow in the Christian traditions of Edmund Rice education in a diverse variety of cultural contexts.

Please see Woodchatta Extras for a list of Edmund Rice Institutions represented at the Edmund Rice Education Beyond Borders South African Conference, 2015.

Yours in Ubuntu,

Mr S Brannan

HAPPY WORLD TEACHERS’ DAY! UNESCO proclaimed 5 October to be World Teachers’ Day in 1994, celebrating the role that teachers and all staff in the field of education have in shaping and contributing to our students and society as a whole. The staff were very grateful to the P&F for their hospitality in hosting the annual ‘Staff BBQ Breakfast’ to start Term 4 and mark World Teachers’ Day – a happy coincidence.

This year’s theme as determined by UNESCO is: ‘Empowering Teachers, Building Sustainable Environments’. At St Pius X, staff across all sections of the College are well supported to achieve our daily work at a high standard, whilst nurturing our students’ development. Many of our colleagues around the world work in very challenging conditions, in physical and political environments. These situations makes their commitment to educate young people all the more inspiring. In Australia, given the school term dates, this day is celebrated this Friday, 30th October. As a community, we give thanks for the privilege of education that seeks to truly liberate us all here in Australia and we pray in solidarity for our colleagues and young people around the world.

WORLD YOUTH DAY 2016: The arrangements for WYD Poland 2016 are progressing steadily. I would urge any families who are experiencing issues with the registration process, or who have yet to register or have confirmation of their registration to please contact me directly on the below contact details.

Our Lady of Dolours Parish Fiesta & WYD Fundraiser: Thank you to all those boys and parents that assisted on Sunday the 18th of October with the SPX BBQ at the parish fete. The day was an outstanding success with much needed funds raised to assist our local pilgrims in their efforts to get to WYD. Our own St Pius X College contingent had a successful day on the BBQ and raised around $700 towards the funding whilst their counterparts the young ladies from Mercy College also raised some valuable funds selling soft drink. The parish pilgrims contributed strongly to the success of the day as did the couple of student pilgrims from Chatswood High. A fantastic day was had, a real carnival atmosphere abounded with traditional ethnic food delicacies, the amusement rides for the children, the bric-a-brac and St Vincent de Paul Society stalls, whilst the clergy on the dunking machine was a real drawcard (with much thanks to Fr. Paul and Fr. Barry). Thank you very much to all involved.

ROCK ‘N ROLL RAFFLE: There is only a few days remaining to purchase tickets in the final prize draw of this WYD Fundraiser; 2 platinum tickets to see AC/DC live in concert at Australia’s premier stadium are up for grabs. All undrawn tickets purchased to date in the raffle are still eligible for this final prize. Further tickets are just $20 and are available on the try booking link below – it’s an opportunity to experience one of the great bands of all time in the best available possible comfort and style.

Please do consider supporting our SPX students in this very worthwhile cause and give yourself and a friend the opportunity of an amazing experience in style and luxury for just $20. To purchase tickets in ‘Rock ‘n Roll ‘n Rugby’ simply go to www.trybooking.com/147327 with your credit card details. There is also a flyer in Woodchatta Extras.

From the Social Justice Coordinator

This week in Social Justice at St Pius X College Josh Thrum, Jacob Crisafulli, Daniel Stack and James Spencer attended Willowood Aged Care on Monday with Mr Listo to chat with the residence and again the boys were fully engaged in their task and enjoyed both the experience as well as the debrief. Wednesday afternoon Jack Schyvens and Alex McLarty accompanied Mr Steinman to Matthew Talbot Men’s Hostel to feed the homeless men.

The Edmund Rice Society Junior School division ran a cake stall to raise funds for Zaki, our favourite refugee. Marco Locascio, Ethan Rossetto, Richard Gauci, Thomas Fong, Andrew Guerrera, Samuel Maloney, Harrison Pierides, Mihir Mathur, James Shahnin, Franklin Clayton, Alex Vaccher and Ms Williams from Years 5 & 6 were aided by Matthew Starr, Bailey Sutton and Ethan Woodward all from Year 7. Jacob Crisafulli, Josh Thrum, Dermott Beattie, Andrew Jackson, Matt Stall, Angus Dingley, Matt Hall, Joe Unwin, Mitchell Crisafulli all from Year 10 took the lead in helping these Junior Edmund Rice Society members achieve their goal in running the cake stall.

The stall raised $626.60. Well done Edmund Rice Society juniors and seniors.

Performing Arts News

MERCY DRAMA PRODUCTION 2016: Last Friday a group of St Pius X College Drama students auditioned for the 2016 Mercy College production of “Stories in the Dark” written by Debra Oswald and to be directed by Ms Amy Gill. Mr Combes was there to support our performers at the audition and he was very proud of the way they confidently represented Performing Arts at the College. We would like to congratulate and acknowledge the eleven boys who have been cast: James Bleasdale, Nicholas Cowie, Oscar Jacobson, Liam Johnson, Joshua Karabulut, Nicholas McKenzie, John-Paul Shahady, Samuel Smith, Tobias Stokeld, Oliver Tysoe and Nicholas Torresan. We would also like to make particular mention of Timothy McLachlan who will play Tomas, the male lead in this production.

MEET THE MUSIC CONCERT: Parents of boys in Elective Music Years 9 and 10, Preliminary Course and HSC Music are reminded that the final concert for the year is on Wednesday 11th November (Week 6) at the Opera House, 6.30pm. As per the excursion note which was sent home earlier in the year, boys are to make their own way to and from the Opera House. Attire should be neat/casual - shirts with collars, jeans without rips and covered shoes. Students are to be in their seats in the Concert Hall no later than 6.15pm.

NEW ENROLMENT AUDITIONS: New enrolment auditions are taking place on Saturday 7th and 14th November between 9.00am – 2.00pm in the College Band Room. Current students who missed out on auditioning for Concert and Jazz Bands last term are welcome to attend. To do so, please go to http://www.trybooking.com/160057 and follow the prompts. The site is now open for bookings and it will close on Tuesday 3rd November 2015. Entry to the College will be via the Kirk Street Lane way.

COLLEGE ORCHESTRA AND SENIOR STRING ENSEMBLE REHEARSALS: These groups will be rehearsing on Sunday 8th November as follows:

- Senior String Ensemble Rehearsal: 10.30am – 12.00pm
- Lunch: 12.00 – 12.30pm
- Orchestra Section Rehearsals: 12.30 – 1.15pm
- Full Orchestra Rehearsal: 1.15 – 2.45pm

Ms T Bates – Performing Arts Coordinator

Attention Parents of Year 12, 2016

- A reminder about tonight’s meeting for Year 12, 2016 parents and students in the College gym - a short but important information-giving night beginning at 7.30pm and running for about an hour.
- Please also note that the first Year 12, 2016 Study Day will be held tomorrow, Thursday 29 October, at Oxford Falls.
- A letter to all Year 12, 2016 students and parents regarding the Broken Bay Year 12 event on Tuesday 10 November was emailed home yesterday.

2016 International Language and Culture Tour to New Caledonia

For students studying French at the College the Languages Department is pleased to be able to offer the International Language and Culture Tour to New Caledonia the June holidays, 2016. This week Ms Sumner has given Expression of Interest notes to all students who will study French in Year 9, 10, 11 and 12 next year. In order for the trip to be organised and run, the Expression of Interest notes are due to Ms Sumner by this Friday, October 30th. From this point, should we have enough interest to run the tour, a proposed Parent Information night will be organised with GET General Educational Tours for Thursday, November 19th (6:30-7:30 pm) at the Sarto Centre. Please do not hesitate to contact Ms Sumner or myself with any enquiries.

2015 International Language and Culture Tour to China- Student’s Reflections

“This day we visited the Mutianyu Section of the Great Wall. Mr Stollery and I walked all the way to the end of this section and a bit further into the overgrown, unrestored section of the wall. The stairs were quite steep, more than what I had expected, but it was a great feeling once you got to the top. We took the toboggan (the same one as Michelle Obama on her recent visit to China) on the way down which was fun, even though I was stuck behind a slower rider. After this, we went to the airport to board our plane to Xian for the next part of our tour.”

Daniel Butler, Year 10 Chinese

“Ready for a long day, we travelled to visit the Great Wall of China. We caught the chairlift to one of the Guard Tower Keeps on the wall, to begin the long walk. The view was absolutely spectacular. Walking the Wall is definitely one memory I will keep forever…..”

Willem Ma, Yr 10 Chinese

Kokoda 2016 Training Begins

The first of the training hikes for the Kokoda Track 2016 Expedition will take place on Sunday the 8th November. This hike is open to all Kokoda hikers and anyone that would like an opportunity to get some pre-summer training in. If you are interested in participating in the Kokoda 2016 expedition this would be a good opportunity to come along and chat about what’s involved. If you are interested and haven’t put your name down please email myself or Mr Brannan.

The hikers will meet at Cowan train station and catch a train to Brooklyn. Hikers will then walk from Brooklyn back to Cowan station via the Jerusalem Bay track. You will need to pack a light lunch and carry at least 2 litres of water.

Meet:  8.15am at Cowan train station (train to Brooklyn at 8.36 am)
Finish:  2.00pm (approx.) Cowan train station
Distance:  13.4 km

Snowy Hike Practice - Success!

Yesterday 48 Year 11 students walked from St Ives to Frenchs Forrest through bushland in preparation for this year's Snowy Hike Expedition. The students are preparing for a 100km hike ending with a summit of Mt Kosciuszko. The expedition will involve 6 days of hiking in the Alpine region of NSW during the last week of the school term. A big thank you to Miss Kugananthan, Miss O'Brien, Mr Stearn, Mr Virgona, Mr Lynch and Mr Brannan for their assistance with the hike and for their ongoing preparations. A thank you must also go to Mrs Jellema from the office for her ongoing time and assistance.

Breakfast Club at Abbotsleigh: Murky Media Ethics

On Tuesday 27th October, as a first for St Pius X College, five of our senior students - John Davie, Jean-Like Blanc, Joshua Coy, Patrick Hilder, Angus Growden and James Spencer - drove with Mr Stollery to Abbotsleigh School in Wahroonga to attend their October Breakfast Club.

We were fortunate to have as a guest speaker Meggie Palmer a reporter, producer and director who currently works as SBS Dateline’s Managing Editor. Meggie talked about issues relating to honesty in the media and how strongly she is motivated by social justice. Her engaging talk was followed by a Q & A session which opened up the moral complexities involved in modern media.

Meggie Palmer has worked internationally as a reporter, producer and director. Amongst other things she covered the canonisation of Mary MacKillop and the London student riots. Meggie has also spent time working in Africa directing and producing a travel adventure show for Discovery Channel and co-directing a reality television show filmed in Zimbabwe for Animal Planet.

She began her journalism career at Network Ten working in the Brisbane, Gold Coast and Melbourne newsrooms as well as a stint in the Canberra Press Gallery as a political journalist. She was awarded Queensland Young Journalist of the Year in 2008 and was a senior journalist for Channel Ten's current affairs show 6:30 With George Negus, covering the Christchurch earthquake and Queensland floods.

As a reporter and producer for SBS Insight, Meggie produced programs on topics including Electroshock Therapy and Transgender Children. Her program Young Mob, a documentary from the perspective of six aboriginal teenagers living in Alice Springs, won a Walkley Award. Her investigation into families who relinquish care of their high care needs children won a Yooralla Media Award.

Abbotsleigh were very pleased that the St Pius boys made the effort to engage, reflect and learn in an adult-like setting.

From the Learning Support and Enrichment Team

The Learning Support and Enrichment team is pleased to advise that we are exploring the possibility of providing an occupational therapy service here at the College on various afternoons in the week, beginning in Term 1 2016. There is a choice of three short courses (8 weeks per term) which cover different skill areas for the benefit of your son’s academic writing and personal development:

- Handwriting skills
- Touch typing skills
- Communication and social skills

The courses will be offered on a small-group basis, at a cost of $280 per 8 week course (each session is 1 hour 15 mins). Please find in Woodchatta Extras three flyers outlining each of the three courses which may be of interest to you for your son during Term 1 of 2016.

FOR FURTHER INFORMATION OR TO REGISTER YOUR INTEREST IN A PARTICULAR COURSE FOR TERM 1 2016 email Joanne at: jrahebmol@stpiusx.nsw.edu.au

DISABILITY PROVISIONS YEARS 5-10

Parents are advised that the disability provisions approvals for Years 5 to 10 have been completed for Term 4 2015. Students and parents should receive an email confirmation and details by Tuesday 3 November at latest, from the Learning Support and Enrichment (LSE) team regarding their sons’ approved provisions, which will apply to exams and assessments as outlined in the College’s LSE guidelines. The only students who can expect to receive provisions for their upcoming exams and assessments are those whose requests have been processed through the LSE department during Semester 2 2015. If there are any doubts or queries about disability provisions, please contact Ms Raheb-Mol at jrahebmol@stpiusx.nsw.edu.au

**MISSION MASS**
The college was represented at the Diocesan Mission Mass by 8 of our Juniors and three of our senior Mission and Identity Prefects. The Junior boys who represented the college were William Staber (5 Gold), Harrison Pierides (5 Red), Luke Burton (5 Blue), Max Marshall (6 Gold), Tom Cummins (6 Red, James Scaiff and Douglas Danielson (6 Blue) and Huon Croll (6 Green) and the senior boys were Hamish Book, Josiah Lising and Keenan Smith.

The bishop spoke about the role of all of us as missionaries to reach out to others, to go outside with a mission and that mission is Jesus. He spoke about how we don’t have to go far - it can be simply reaching out to somebody local, in the playground or at work. It was an interesting homily that raised a challenge to us as Christians.

Before the mass commenced a speaker from Catholic Mission spoke about the fact that it is World Mission Month and the work of Catholic Mission in Madagascar to give the people clean drinking water. It was a powerful video.

**CAKE STALL**
Last week our Mission was to help Zaki with a cake stall and maybe make a difference to one life. The cake stall raised $626.60. Thank you to all the parents and boys who cooked a cake. A fantastic lesson for the boys. Well done to Mrs Williams and the members of the Junior chapter of the Edmund Rice Society.

**CONGRATULATIONS**
Congratulations to Max Leo for his distinction in the Australian Mathematics Competition. Max was the only Junior School boy to achieve a distinction in this competition. Well done.

**WALKATHON FINAL TOTAL**
A good thing to announce in Mission month. Congratulations to everybody on a phenomenal total of $13 200.30 which is a fantastic result. The money will go to our World Vision sponsored child, Vipin Singh, and then it will be split among Callan Services for disabled in PNG and two Catholic schools that have a predominantly Aboriginal education and who some of our Year 10 students visit. They are St Mary’s, Bowraville and St Joseph’s Walgett.

A huge thank you to all and a fantastic lesson for the boys in Christian charity.
YEAR 6 “BRASSERIE BREAD” BAKERY EXCURSION - 27th October 2015
Written by Adrian Bond

Every single person in Year 6 was ecstatic, for a whole new experience was about to be stored in their memories forever. The whole year was split into two groups, 6 Red/6 Blue and 6 Gold/6 Green. With 6 Blue/Red leaving school at 9:00 am, and 6 Gold/Green leaving school at going from 11:00 am.

The forty minute bus ride seemed like an eternity, with everyone longing to finally enter the bakery. We finally pulled up to what seemed like quite a modest building, we then waited outside whilst the first group finished. As soon as we stepped inside the bakery, our senses were infiltrated by the beautiful smell of freshly baked bread. Stacks upon stacks of bread were everywhere, later on our guide told us that they make roughly 15,000 to 20,000 pieces of bread (and pastries) per day!!! We were then split into two groups (again!!), and given the necessary but slightly unfashionable hair nets. After 10 minutes of introduction and organisation we set off, with the first group (6 Gold) going to do some hands-on, and the second group (6 Green) having a tour of the bakery.

We went into a small kitchen with three large work benches sprinkled with flour. Once we had placed ourselves around a bench, we were each given three relatively small portions of dough. We then watched as our instructor Matt flattened, rolled and braided each portion of the dough. Easy... think again. As we followed suite, many people were having various problems, from rolling the dough to knowing which piece of dough to intertwine with one another.

Our instructor then announced a small competition, each group would be judged on the final baked product. The winner from each group would be taking home a loaf of sourdough bread.

After that exciting announcement, we got to the part that everyone was looking forward to the most, we got to make our own PIZZA! We were all given some more dough for the base of the pizza. After preparing the base we then placed on the ingredients that appealed to us.

Covered in flour and anxious to eat our pizzas we then left the kitchen to have a tour of the factory. We sat back down in the original meeting area to meet our guide Natalie. She told us how everything works in the factory. She informed us that all of their products are hand made using original artisan methods. We then watched through a window bakers moulding and preparing dough whilst gleefully throwing the clump of dough at us every now and again. After reluctantly moving on from the dough-throwing bakers, we saw some another baker slashing the tops of breads (which informs the other bakers what type of bread it is) and then place them in the oven. On our final walk through the bakery we saw some very skilled bakers creating pastries such as chocolate croissants, and Danish pastries. These bakers thankfully did not throw their masterpieces at us.

As we sat down for the last final minutes of our bakery excursion, there was excitement as we retrieved our pizzas and breads. Then finally the winners of the loaves of sourdough announced. We all went home feeling content and with a reinvigorated love for baking.

RUGBY
On behalf of SPX Rugby I would like to wish old boy Michael Hooper and the Wallabies the best of luck against the All Blacks in the Rugby World Cup Final this weekend.

To show our support, the students and staff of SPX are encouraged to wear Wallabies supporters gear such as a jersey, shirt or scarf during Friday’s sports assembly and throughout the day. Students must travel to and from school in full College uniform, however can change into their supporters gear while at school. Go the Wallabies!!!

And finally, if any students have the dream to follow in Michael Hooper’s footsteps or want to take their Rugby to the next level then get into the Sarto Gym for off-season training. The gym is open every afternoon from 3:15pm for not only Rugby players but all students who would like some quality strength training under the guidance of 1st XV coach Francis Cullimore.

Joe Lynch – Rugby Convener

Rugby Club AGM
The St Pius X College Rugby Club will hold its ANNUAL GENERAL MEETING on Thursday 12th November at 7.00pm in the Sarto Centre. All Rugby Club positions will become available. If you want to discuss how you can contribute, please call Rosemary Murphy on 0411644308.

Mrs Rosemary Murphy – Rugby Club

BASKETBALL
There will be no training in the school gym for three weeks due to examinations in the gymnasium. No trainings in Week 5, Week 6 and Week 7. My apologies for this inconvenience, we are looking for a solution to this problem. All trainings at Oxford Falls will be on as normal.

Play of the day
Michael Jordan’s done it! Koby Bryant’s done it! Even Lebron; and now you can add Angus O’Donovan to the list of players who have knocked down a three pointer to win a game with only seconds to spare.

Game of the day
I have to give it to the Firsts again this week. A great win at Oakhill. Angus shot the winner with only 4 seconds to go. The team survived those precious seconds to finish just two points up. Oli Jacquot played a key role in guiding the team through some difficult moments, along with Sam Richardson and Harry Clay. Chris Bacic was great in defense grabbing some important rebounds under pressure.

Oli Jacquot - 13points, Anthony Maras - 13points, Angus O’Donovan - 11points, Sam Richardson - 6points.
All of our C and D teams battled it out against each other. I’m pleased to say that all the games were hard fought and played in good spirit.

Deserves a mention
14E = Kalani Lenehan, John McKinnon and Daniel Habib. 13A = Michael Fakhoury, Jack Garrett, Ethan Field and Erec Bacic. 13D = Matt Hogan.

3rds mid-week game
The 3rds will play Redlands tomorrow afternoon, Thursday 29th at 4:30pm.
Venue is the Lang Gymnasium, Redlands Secondary Campus - Gerard Street, Cremorne.

Weekend Venues: 
Oakhill College: Old Northern Road Castle Hill
Auburn Basketball Centre: Church St Lidcombe, inside Wyatt Park

**ISA Round 2, 24 October 2015**

Losing the toss and being asked to bat first the 1st XI started well with a 138 run opening partnership from Nick Onslow (80) and Christian King (55). Max Magee (44no) and Harry Heaney (41) pushed to score over 200. Luke Humphrey (11no) ably supported Max Magee at the end of the innings.

Luke Humphrey(2/10) took a wicket in the first over of the BMGS innings and quickly followed up with a second. A run out (James White to Tom Graziotto) left BMGS reeling. Dermott Beattie (3/11) and James White (4/10) finished of the BMGS batting supported by some good catches. BMGS 10/42.

**2nd XI** 9/179 (D Easy 31, L Williams 26, M Hall 25) in 50 overs defeated Oakhill 10/82 (D Easy 4/15, L Williams 2/11, M Hall 2/3) in 34 overs at Oxford Falls.

**T20 – Year 7 Team v St Edmund’s College Gosford.** Last Wednesday during PDHPE at Oxford Falls a Year 7 Team played St Edmund’s Gosford in a keenly fought T20 match. SPX 8/77 were defeated by St Edmund’s 7/92. Players on both teams are congratulated on the spirit and intensity of the match.

**NSTA TENNIS**

**News #4:** Last weekend at Talus Street was a sea of Pius Blue as many of our teams competed against each other. Again, there was great sportsmanship on show with friends encouraging their opposition at times!

There were many wins across all Divisions including SPX 2, 5, 8, 9, 13, 15, 16, 17, 18, 19, 22, 23, 24, 26. Some of these matches were hard won though with some game scores for examples SPX 15 V SPX 14 being won 2 sets to 1, with a game score of 14-13. As the season moves ahead the level of play will continue to lift I imagine. Indeed, last week some we saw an increasing amount of aces and great drop shots too! Congrats to SPX 14 who won the Lucky Ball Bag Prize - the prize this week being the latest issue of the Australian Tennis Magazine.

Good luck to everyone for Round 4 this weekend. A reminder to players – having moved through 3 rounds now every player should have had fair court time, please ensure you are moving to the 3 player format, if that applies to your team.

Thank you to our supporters each week. A reminder that Play-offs and Finals occur on the 14th November.

Softball Report Round 3

We had a great game against Coogee Prep last Saturday. We lost the toss and Coogee put us into bat first. St Pius started strongly with our first batter, Frank Houlihan, batting well and he was our first runner home. It did not stop there with Charlie Jackson and Arleigh Eden also on target with their batting and getting 4 runners home.

St Pius were playing well, all players were backing up and supporting each other superbly. In the 2nd innings a strong hit by Ethan Rossetto got him through to first base. Douglas Daniels confidently hit his way towards a run home. Cameron Bragg (who helped out this week) hit a home run and assisted getting another player home. Alex Vaccher did some great stealing of bases.

Connor Cassar and David Casey were reliable fielders. They got to the ball quickly and strategically threw balls stopping Coogee from making runs. We had a convincing 11–4 win against a good team. Mr Long and Millie were also there to celebrate her ½ birthday!

It was a wonderful game with coaches assisting both teams as well as each other. Our spectators were encouraging and all players displayed fantastic sportsmanship.

Thank you to Mrs Daniels for keeping the score, Mr Houlihan for recording play, Mrs Vaccher for photography and Mr Rossetto for assisting with coaching.

Welcome:

- Principal, John Couani and teaching staff
- Parents and family members of the Year 12 of 2016
- The Year 12 Class of 2016
- Students of St Pius X College (students from year 5 and up will be in attendance)

Thank you for the very kind invitation to speak to you here today. It’s my pleasure & a privilege to present Year 12 Class of 2016 with their ties and badges & to invest the Prefects, Vice Captains & Captains. For me, this is particularly special, as my son has just finished Year 12, and I have some insights into the wonderful year you have ahead of you.

I asked my son for some advice about how to approach my speech & he was immediately both thoughtful & wise. And I quote - “Hmm actually Mum, most of the time you can’t be bothered to listen to the speaker”.

OK I got the message, make it short.

I will offer you all a few of pointers that will hopefully be useful to you in your wonderful futures.

Now here’s a tip for you’re the speeches you will have to do, try to quote someone smarter than yourself, it saves you the work of trying to come up with something original.

In my case I found something on social media - ok it was Facebook

John Quincy Adams, the 6th President USA said,

“If your actions inspire others to dream more, learn more, do more and become more, you are a leader”.

Inspire others to dream more, learn more, do more and become more

See, not everything on Facebook is bad, but I will warn you - those photos that seem so funny as a teenager are not so funny when you are going to a job interview.

When I was at school, like many of you in this room, I was not to be chosen as Prefect, Vice-Prefect or Captain, but as you can see things didn’t turn out too badly. I kind of am getting used to the bling.

Whilst we’re here today to congratulate inductees to many important Leadership roles today the vast majority of boys here won’t receive such an honour.

So today we also congratulate the rest of the school body as they are also important. Everyone holds a position of responsibility and leadership. There will always be another boy looking up to you, asking you for help, asking you to be a friend. A badge isn’t the thing that makes a good man and a good leader, the way you act, and the choices you make determine your worth.
For those boys who have in leadership positions, look to those people around you, every leader needs those supporting him, and to the other boys, be that person who helps and provides assistance for those in need.

These relationships go beyond the good times as they will be vital when things don’t go the way that you planned. At times it will not be easy; sometimes things will be very, very hard.

Several times in my chosen career, I have needed to stop digging, climb out of the hole I was digging and work out a new way forward; and certainly the people around me, giving me advice on the situation, helped me greatly. It also pays to be organised.

Here’s one example, when I was thinking of standing for Council six years ago, I remember someone said to me, “Have a nice time. It will be good experience for when you run again to hopefully get in then”. I’m sorry, what??!! I knew the odds were stacked against me, and that it was hard as a first-time candidate, and I was up against two experienced Councillors who had running mates.

BUT, I also knew that I had created loads of strong relationships. People I had met through my life who could help with my dream. And also I had a belief in myself, a trust that I could make it, that I could win the race despite some person who thinks I couldn’t do it.

Boys this self-belief is important, believe in your abilities, your school will have equipped you for the outside world without you knowing it. Trust that you have the tools at your disposal to face any trial, any tribulation and come out on top, even if the struggles seem astronomical.

So back my challenge, I got properly organised. I gathered a large group of friends who I could turn to for help and who shared my dream that I could get elected. I am sure you can guess the outcomes of that election. One word. Landslide.

In my job some people have an idea that I run about, get an idea, wave a wand and say, “Make it so”, but that is not quite how it works, actually that could not be further from reality.

Everything in council is done by a vote, for any change or decision a councillor must get the majority to agree with them: they must lead that group of individuals who share a common belief to catalyse change. You as leaders will have to make some hard decisions. It is inevitable. Some people may not like what you are doing all of the time. Just make sure you have the best interests of your community at heart, and uphold your own personal values, your own moral compass that no doubt your school and your faith will have helped you develop. Honesty. Integrity. It is vitally important that you do the right thing. Always.

In your time as leaders you will want to make things happen, create change. Ideas are great but they rarely come to fruition. What makes the change is having a plan, being committed, having the drive and trusting in your own abilities to create change.

It’s a part of my job to try to bring new people to Chatswood and really show them what it has to offer. Making Chatswood a cultural and economic hub. So I had an idea of bringing Vivid to Chatswood in 2016 - Sounds easy right? Maybe not.

Firstly, I was put in contact with a concept designer and the things she brought us were frankly-fantastic.

So, we had a concept, great, but we needed to the people who can help make these things happen. We had to get Destination NSW to agree to host Vivid outside Sydney city for the very first time. We met with them and it was like a scene out of Mad Men when we pitched the idea. Much to our surprise Destination NSW came back in November and said that they loved the idea, for May 2015!
Great! Wait a second that’s only six months away, and a year before we expected it.

Where were we going to find the money? Council can’t fund such a huge project. We needed sponsors and we needed them quickly.

We needed to inspire others to dream more, learn more, do more and become more.

That is when the doorknocking started in earnest. We shared the Vivid dream; we had to make it the dream of the sponsors. We met with anyone we could think of that might give a little to the project. I used every network that I could think of. I remember at one point my husband said to me. “Honey, you’re dreaming. You will never be able to get the money to make it work”.

To cut a long story short, we found the people who could help us, those willing to share the dream. The Council all supported the idea and as I’m sure you all saw, this year Vivid came to Chatswood.

Inspire others to dream more, learn more, do more and become more

I love every minute of my job. I get asked sometimes how much of my life is taken up by being Mayor. I can’t tell you. It is not a thing which you can say I went from nine til five. Some days I sleep, eat and breathe being Mayor and, - I love every minute of it. Find the joy in what you are doing boys, look for the good every situation. Make the most of it,

You are most fortunate, gentlemen. You are encouraged to, “follow your passion”. The days where you were just told to “get a job” are long gone.

The reason why that bad advice changed was because so many educators, psychologists, politicians, parents & learned individuals figured out that “Life is a lot easier if you are doing something you love”.

Modern Reality is: When you love your job - you will never do a day’s work in your life. Cliché’s are sometimes right you know

So, for every step of the way through your life, Share your dream, bring people on the journey and together you can make it happen.

I hope from this speech you can take two ideas to help you on your journey

Inspire others to dream more, learn more, do more and become more.
And
Life is a lot easier if you are doing something you love
Find joy in what you do boys.

Thank you.

26th October, 2015

Dear Proprietor,

Our Lady of Dolours Catholic Parish, Chatswood – Thanks Giving Evening, 7pm, 28th November, 2015

The Parish in association with Mercy College, St Pius X College and Our Lady of Dolours Primary School are holding our annual ‘Thanks Giving’ Evening, featuring ABC journalist and presenter Geraldine Doogue, as Master of Ceremonies. The celebration will be held at 7pm, 28th November, 2015 at the St Pius X Gymnasium behind the parish church in Archer Street, Chatswood.

The Chatswood Catholic Parish has been serving the community at Chatswood and surrounding districts for more than 100 years. The Parish has provided people with service and a place to celebrate the most significant moments of their life’s journey. From celebrating Baptism at birth, to recognizing the important moments in their human and spiritual lives, through to completion of the human journey into eternal life.

As well as service, the Parish provides a life time of support. The Parish provides many ministries for children including: care, participating in the Parish Liturgies, teaching in public schools, for families and for the youth. The Parish social justice group supports associated communities in Timor Leste, Wicannia western NSW and those who are struggling at Chatswood. The Parish provides extensive ministries to those who are sick, the aged and those in the district nursing homes and aged care facilities.

Our church building in Archer Street is nearly always open for many who seek a place of refuge and peace, a place of quiet, of solitude and personal prayer. For many it is their place of worship, community prayer and fellowship. It is a place where many draw strength to help them in their daily lives and to rekindle their spirits, their faith and their hope.

Our extensive operations survive on people’s extraordinary generosity of their time, talents and donations. The Parish does not charge fees for service and does not receive any government assistance. This Parish relies on people’s goodwill, generosity and prayer to continue.

That is why we need your help. Our ‘Thanks Giving’ Evening is to raise funds to support our social justice initiatives, our youth ministries including sending some of our young people to 2016 World Youth Day in Poland, and the restoration of our beautiful aging church. Would you please consider making a donation, in product or kind, for our worthy cause?

Also please come to the evening, cooperate with us to grow our local community. Tickets are only $50 for delicious food, drink and entertainment.

Yours faithfully,

Greg Smith – Parish Manager.

Church and Office are located at 54 Archer Street Chatswood.

HANDWRITING SKILLS

Handwriting skills

How’s your son’s handwriting? Does your son’s handwriting affect his ability to get his ideas down on paper in a coherent and legible way? Would improvements to the speed and style of his handwriting help him perform to his potential on tests, exams, assignments and assessments?

Designed and run by an experienced occupational therapist, this program has been developed to bring develop creativity and good mechanical and organisational skills to the practice and improvement of handwriting.

The Program will include activities with a dramatic twist to:

- Promote imagination and foster a desire to write
- Encourage focus and concentration
- Develop core and shoulder muscle control, eye hand coordination and finger strength
- Identify the right tools and spaces so writing feels comfortable and is optimised
- General assessment of writing to see what’s working and what’s not
- Practice program to encourage improved writing
- Get organised with writing tasks

The program will be run on a small group basis (6 students max.) so that professional guidance, peer feedback and modelling can be maximised.

The program will run over 8 weeks (from week of Feb 8 up to and incl. the week of Mar 28)
Time: 3.30pm-4.45pm each Tuesday (for Years 7 and 8) or Friday 3.15-4.30 (for Years 5 and 6)
Location: St Pius X College, Chatswood, Leary Learning Centre, D Block
Cost: $280.00 per student
You may be able to claim on your Private Health Insurance cover (if it includes OT under extras cover) for this program which will be run by Anna Orchard, a registered occupational therapist.

The art of touch typing

Could your son benefit from touch typing skills for a wide variety of his writing and communication needs at school and beyond?

Having great typing skills is a must-have skill in our digital world. This is an essential academic skill which can be learnt, improved or mastered with practice. It can help your son to organise his thinking and planning, and save him time and mental energy when producing written work. He can learn to edit as he goes, making his written work more presentable, readable and accurate. Typing skills are also highly valued in the workplace, so there are long-term benefits for establishing better typing skill and speed during the school years.

Designed and run by an experienced occupational therapist, this program has been developed to give students the touch typing skills they need to undertake effective word processing on their PLDs, in a way that develops good and sustainable typing habits and improved typing speed. The course is designed to bring creativity, fun and organisational skills to the practice and improvement of typing for homework, assignments and self-directed tasks.

The Program will include activities with a dramatic twist to:

- Develop fine motor skills, eye hand coordination and finger strength
- Look at overall posture and ergonomic workstation set up
- Teach how to touch type, using a popular and easy-to-learn system
- Give incentives to make practice manageable

The program will be run on a small group basis (6 students max.) so that professional guidance, peer feedback and modelling can be maximised.

Students will need their own PLDs or laptops.
The program will run over 8 weeks (from week of Feb 8 up to and incl. the week of Mar 28)
Time: 3.15pm – 4.30pm each Wednesday (for Years 5 and 6), or Thursday 3.30pm-4.45pm (for Years 7 and 8)
Location: St Pius X College, Leary Learning Centre, D Block
Cost: $280.00 per student
You may be able to claim on your Private Health Insurance cover (if it includes OT under extras cover) for this program which will be run by Anna Orchard, a registered occupational therapist.

Communication and social skills

Good communication and social skills are essential if you want to: experience positive interpersonal relationships with peers, teachers, and parents; if you want to make and keep friends; get along with others; express your ideas and feelings more clearly so that they aren’t misinterpreted – in person or online; become more confident and communicate more effectively at home and at school; and learn to develop resilience in the face of crisis.

Could your son benefit from improving his communication and social skills?

Designed by and run by an experienced occupational therapist, this program has been developed to help students manage their communication styles and needs, and bring greater confidence to their everyday practice of communicating and interacting with others in practical and effective ways.

The Program will include activities with a dramatic twist to:

- Develop awareness of self and others
- Foster listening and sharing skills
- Practise working as part of a team
- Explore and practise different ways of communicating, looking at the way we talk, and how we express ourselves through the way we talk
- Develop problem-solving skills

The program will be run on a small group basis (6 students max.) so that professional guidance, peer feedback and modelling can be maximised.

The program will run over 8 weeks (from week of Feb 8 up to and incl. the week of Mar 28)

Time: 3.30pm-4.45pm each Monday (for Years 7 and 8, or for 9 and 10 – depending on numbers of interested students in each group)

Location: St Pius X College, Leary Learning Centre, D Block

Cost: $280.00 per student

You may be able to claim on your Private Health Insurance cover (if it includes OT under extras cover) for this program which will be run by Anna Orchard, a registered occupational therapist.

CRICKET REPORTS

VICTORY AGAIN FOR THE SECONDS
The 2nd X1 will be looking for a hat-trick of wins this coming Saturday after they comfortably overcame Oakhill in what turned out to be a relatively one-sided match at Oxford Falls, recording a 98 run victory against their ISA opponents.

Chalking up their second successive win, the Seconds also secured their second bonus point of the season as they bowled out Oakhill for 81 in the 34th over. However, they missed out on an additional bonus point as they just failed to push home the advantage with Oakhill reeling at 8-35 in the 17th over.

Nonetheless, it was a comprehensive enough of a victory, this time thanks to the efforts of the fast and medium-pace all-rounders as they followed up with the ball after solid batting performances that had set Oakhill an uphill challenge in trying to overhaul 9-179 to win.

Dom Easy was the pick of the batters with an aggressive 31 as he picked up the scoring rate after openers Joe Unwin and Alex Graffeo had departed with the score on 2-37. Dom punished anything short and in partnership with Brendan Plummer with whom he put on 50, looked to be heading for his half century when he was out caught, leaving the Pius score on 4-89.

With just 22 overs gone and a strong line-up of batting still to come, a total nearing 200 still looked possible but with another three wickets going down for the addition of just a further 32 runs, the earlier momentum started to slip away. However, a gritty performance by Liahm Williams, batting at six and Matt Hall, coming in at 9 took the score to 143 before Williams was out for a fine 26.

Joined by Alex Brislan who was 13 not out at the end, Hall went on to make 25 with the total being rounded out to 179 after he departed with Justin Porter and Brislan adding another valuable 17 runs by the end of the 50 overs.

Oakhill started out tentatively in reply with Easy and fellow opening bowling partner Williams both picking up early wickets to hold the opposition to 2-11 after just four overs. And the visitors’ challenge was effectively over by the 17th over as Easy, Williams and then Matt Hall claimed six wickets between them to reduce Oakhill to 8-35 by the first drinks break.

Easy finished with 4-15 while Williams turned in 2-11 off his six overs and Hall claimed his first wickets of the season, taking two for just three runs in his four over spell. However stout resistance by the Oakhill tail frustrated the Pius bowling attack and it took another 17 overs before the spin twins James Brown and Justin Porter each claimed a wicket to chalk up the 98 run win.

The bowlers were supported by some excellent fielding and well-taken catches with keeper Tim Robertson claiming two and Brown taking a smart catch at first slip among the highlights.

Pius celebrate Dom Easy’s first wicket against Oakhill. Easy went on to claim 4-15 after top scoring in Pius’ 9-179.

Mr. D. John, Ass. Coach 2nd XI
SPX U13 Gold – 10-17/10/15, Round 3
SPX Gold 80 defeated by Wakehurst Red 6/152
Round 3 saw the U13 Gold team playing their first afternoon game against of the season, with our opponents the strong Wakehurst Red team. Wakehurst won the toss, sent St Pius in, and soon had the team struggling at 6 for 18. A captain’s knock from Lachlan Milenkoski (31), with assistance from Liam Kinna (11) and Tom Kennedy (15), brought some respectability to the score, with St Pius eventually dismissed for 80 in the 35th over.

Despite some lively bowling, Wakehurst made good inroads on the St Pius total before stumps, and finished the day at 1-65, with Liam Chang (1-3) the successful wicket taker.

Day 2 began on an emotional note, as the teams held a minute’s silence for Lachie Muldoon, a player from the Peninsula Club who lost his battle with brain cancer earlier in the week. Lachie’s team, the Peninsula Scorchers, plays in the U13 Division, and all teams in the competition took time out this weekend to remember a young boy who loved his cricket.

Once the game resumed, it didn’t take long for Wakehurst to pass the St Pius total, and then set about building a lead, eventually declaring at 6 for 152. The wickets went to Lachlan Milenkoski (2-23), Tom Wunsch (1-13) and Tom Kennedy (1-21). Brad Power had a good afternoon in the field, effecting one run out and taking a good catch at mid-wicket, and Liam Kinna took a sharp slips catch to dismiss Wakehurst’s top run scorer (fellow St Pius student, Logan Nicey).

With two hours to play, and Wakehurst chasing an outright win, a solid batting effort was called for. Stone wall defence from Josh Osborne (4), and a return to form for Joe Colgan (14no) with support from Luka Krizan (8) and Brad Power (8no), saw St Pius through to stumps, preventing the outright win.

SPX U14 Green – 10-17/10/2015, Round 3
SPX Green 9/143 defeated by Wakehurst Green 7/149
The toss was won by St Pius X and they elected to bowl first.

The St Pius X bowling attack was impressive across the entire team. Stand out bowlers were: J Healey 2/14 with a double wicket maiden over, A Greenwood 1/2 and 2 maiden overs from 4 delivered, A Gangemi 1/12 and 4 maiden overs, L Vinci 1/8 with a wicket maiden over.

On day two, St Pius X started the run chase well, the opening partnership of 41 runs by A Greenwood and J McDonald make life easy for the batsmen to follow. Unfortunately, one of the St Pius X players was injured off the field, reducing the team to 10 players. With score at 6/136 and 14 runs remaining to get off 11 overs, the Wakehurst Greens fought back, taking the last three wickets for only 4 runs.

Special mention is made of:
- B Gunaratnam 1/19 and a wicket in his first ever bowling spell. W Turner for a catch off the bowling of L Vinci.
- The whole team for the encouragement they gave each other throughout the game.

Thank you to the Umpires, Scorers, Coaches, Parents, and Players.

Richard Boxall
SPX U15 Orange - 10-17/10/2015, Round 3
SPX Orange 8/133 defeated St Augustines Gold 9/109
SPX Orange knew they had drawn the fixtures short straw when they arrived at the dusty goat track that is Killarney Heights oval and they wondered if St Augustine’s had insider knowledge when they won the toss & sent SPX into bat.

Openers Tom Colgan (45) and Nic McLachlan (17) soon showed them they had made the wrong decision. After Nic was out on an unlucky edge, Laurence Sheehan added to the innings with a quick 15, aided by Daniel Mooney (7) and Alec Favelle (9). However, the run rate was slowing, and with 4 quick wickets for just 11 runs things were starting to look grim. Maybe Augustine’s strategy was about to pay off.

But just when SPX thought all hope was lost, Josh Foley and Roarke Ryan came to crease and settled in for man of the match performances. With an impressive 13 over partnership under difficult conditions against a tough bowling attack they stabilised the innings, frustrated the opposition and SPX Orange finished their 50 overs at 8/133.

It was not quite 11am so St Augustine’s chose to start their batting innings. They seemed more comfortable with the rough ground frequently dispatching the ball to all corners of the field but it didn’t take long for opening bowlers Jimmy Quillan and Hayden Robertson to get a quick wicket each closing the day with the opposition on 2/32.

It only took a few overs on Day 2 for early wickets to fall, thanks to Jimmy, Luke Ventura and Roarke, and SPX Orange were clearly well in the game. They kept the fielding as tight as possible notwithstanding rogue tufts of grass and spurious turf placements that sent the speeding ball in unexpected directions, perplexing the fieldsmen. There was some impressive caught and bowled action from Luke and Tom; with Luke proving that catches do win matches as he teamed with Captain Tim McLachlan to dismiss 2 of the last batsmen leaving St Augustine’s all out for 109, after just 28 overs. A fine morning’s work, but a job not quite done as the coaches & umpires decided to kick on for a second innings.

SPX went back into bat with our usual opening pair facing some fierce bowling and all too soon Nic was clean bowled for a duck’s egg. Laurence’s wicket also fell quickly leaving our score a paltry 2/1 with the scary realisation that maybe it was possible to lose outright after winning on first innings. Thankfully it was not to be, with the calm, staying power of Tom at the crease (n/o 31), the reverse batting order showed that our bowlers could also bat if they got the chance, and Luke Ventura impressed us all with a stylish 15 runs. The steady hands of Josh Foley and Cian Roberts held their own for a further 12 overs contributing to our eventual 88 run lead, with both teams happy to call it a day.
