**HOW TO BECOME A PSYCHOLOGIST - TOUGH JOBS MARKET FOR DIETITIANS**

**COCHLEAR AUTUMN SCHOOL OF ENGINEERING WHICH WILL TAKE PLACE ON THE 11TH - 15TH APRIL 2015.**
The Cochlear Autumn School of Engineering School (CASE) is an initiative sponsored by Cochlear, Engineers Australia - Sydney Division, NSW “Engineering” Universities, Engineering companies and participating Rotary Clubs. Cochlear Autumn School of engineering aim of the school is to give NSW Metropolitan high school students a better understanding of what engineering is and how it works in everyday life.

Students will meet and interact with professional engineers employed by government, private companies, researchers and academics in a wide range of engineering disciplines. They will gain insight into career opportunities available to men and women in engineering. Visits to industry will provide students with a valuable opportunity to gain first hand experience in the role of Professional Engineers in a wide range of activities including the management of major projects.

**Criteria Requirements to enter the program:** Student must be in attendance of a NSW Metropolitan High School in either Year 11 or Year 12. Students have a passion to learn about the role of Professional Engineers in society and different disciplines within engineering. Students will be required to make their own way to Engineers Australia Offices (Located in Chatswood) every morning by 8.30 am, students will depart for home every day from Engineers Australia Offices approximately 5.30pm each day. Cost to attend the HESS 2015 is $270 (Inclusive of GST)
