RECONCILIATION WEEK

Loving Father

*Give us the courage to accept the realities of our history
so that we may build a better future for our Nation.*

Teach us to respect all cultures.

Teach us to care for our land and waters.

Help us to share justly the resources of this land.

*Help us to bring about spiritual and social change
to improve the quality of life for all groups in our communities,
especially the disadvantaged.*

Help young people to find true dignity and self-esteem by your Spirit.

*May your power and love be the foundations on which we build our families, our communities
and our Nation, through Jesus Christ our Lord,
Amen*

STATUE AND PAINTING OF OUR LADY

Throughout the month of May we have had the Statue of Our Lady adorned in the foyer and Mrs Dempsey and a group of students have painted a beautiful representation of Madonna and Child. These have been reminders for us and a call to prayer.

ST PIUS X COLLEGE EREA RENEWAL PROCESS

EREA RENEWAL REPORT

On Monday 23 May Mr Chris Smith, EREA Director Mission and Identity, presented the Renewal Report from our process held in March 2016. This is an excellent and affirming report with very good recommendations. This Report has been received and endorsed by the EREA Board this week and we will be again accredited as an authentic Catholic School in the Edmund Rice tradition.

The full text of the Report is here: <http://spx.nsw.edu.au/news-events/fx-articles.cfm?loadref=15&id=2085>

As a brief extract I share the following with you from the Report.

Significant commendations arising from this School Renewal are:

- the high profile of the Charter and Touchstones in the life and culture of the College
- the effectiveness of the culture of the College Leadership which provides a clear shared vision and leads by example when striving for high standards and ongoing improvement
- the Board approach and focus of ensuring that mission and charism are understood and supported
- the energetic and cohesive Mission and Identity Team
- the strong academic emphasis and the continued broadening of pathways to meet the needs of more students
- the coordinated approach to Religious Education and faith development through strong links between curriculum, pedagogy, reflection liturgy and service
- the effectiveness of iconography and spaces in creating a sense of Catholic identity
- the strong sense of community, care and mutual respect throughout the College
- the very positive relationships with Parish, the Diocese, the Catholic Schools Office and local Catholic schools
- the supportive and engaged relationship with the Christian Brothers
- the mutually supportive partnerships with a number of schools and ministries
- the strong commitment to the social justice dimension of Catholic education, including through the Edmund Rice Society.

Some recommendations include, to:

- continue to develop a school wide learning framework that encourages independent learners and shared professional practice;
- ensure that the true meaning of the Touchstones is not limited by too close a correlation with the College values;
- be conscious of the pressure on staff of constant change, however positive and necessary it may be;
- ensure that the identity of the College is effectively communicated in signage, website and other publications;
- continue to support the Christian Brothers in a significant time of transition;
- consider ways to ensure the affordability of the College to an increasing range of families;
- review the level of support for students with special learning needs in light of the increasing enrolments in this area;
- assess the provision of student leadership opportunities throughout the College and ways in which their voice can be heard by the Senior College Leadership.

The next steps to follow in our Renewal Process are:

1. The report will be considered at the College Leadership Team meetings into the future
2. Staff consideration of the Report for Strategic and Operational at its meetings
3. The report recommendations will be reviewed by the College Board's Strategic Planning Committee and incorporated into the next strategic plan
4. We will need to invite Dr Wayne Tinsey, Executive Director of EREA to a whole school occasion to present his comments and the Certificate of Accreditation as an authentic school in the Edmund Rice tradition.

I congratulate and thank staff for their outstanding contribution to the College and thank all the students and parents for their work in all of our collective endeavours. This Report is acclamation of our work together and I thank you and commend the report to you for your consideration.

ANNUAL SURVEY

Please take the time to complete this year's Annual Survey. Your input is extremely valued and the results will be shared with staff. This is an independent survey conducted externally from the College.

Mr John Couani

From the Assistant Principal Teaching and Learning

Dear Parents,

During the next few weeks, I am sure there will be many families who will venture out into the chilly winter evenings to visit the spectacular Vivid Festival. This is a wonderful event that combines technology with creativity and you may wonder why I draw attention to this.

On the weekend there was a very interesting article published in the SMH, '[Vivid 2016: The skill that 65 per cent more employers want](#),' that focuses on the importance of 'creativity' in contemporary education.

One of the educational goals for young Australians as stated by the Australian Curriculum, Assessment and Reporting Authority (ACARA) is that successful learners are creative, innovative and resourceful, and are able to solve problems.

So what does 'creativity' in the context of education mean? In the past 'creativity' was associated with the subject areas of Creative and Performing Arts. The contemporary idea of 'creativity', is a move away from being confined to 'creative subjects' and instead applying across the curriculum to all subject areas, including Mathematics!

It is a shift away from big 'C' creativity which is associated with geniuses and life changing moments of discovery to little 'c' creativity which focuses on the thinking or doing and can be generated through pedagogical practice. It is creativity for ordinary people and recognised as an important element of a person's learning. Creativity can also be seen as a way of learning through problem solving and the use of exploration, imagination and experimentation.

The Australian Curriculum through an inquiry based approach to learning encourages creative thinking. It enables students to generate their own questions and develop critical thinking skills. This in turn assists them to find problems instead of just solving them. One of the pedagogical principles required for creative learning is an environment that minimises command and control while providing scaffolded opportunities which an inquiry approach to learning does provide. It is a shift away from a teacher directed approach to learning to one that is student centred and is a new paradigm in education that all schools in Australia are transitioning towards.

Here at St Pius X College, our teachers continue to address the challenges required for 21st Century learning and the importance of generating creative capital or capacity in our students. This is necessary in order to keep pace with a rapidly changing world.

Learning Prefect, Harry Heaney addressed the students at assembly and invites them to think about their learning and participate in a Student Learning Forum.

Mr A Damo

From the Assistant Principal Mission and Identity

This week's **Reconciliation Assembly** said a lot about who we are as a Catholic community and what we value. National Reconciliation Week is a time for all Australians to learn about our shared histories, cultures and achievements and to contribute to building a reconciled Australia. The theme this year is 'Our History, Our Story, Our Future'.

Our guest presenter Kaleb Taylor, the Indigenous Liaison Officer from Christian Brothers Lewisham, explained that to be true ambassadors of Reconciliation, we need to begin by treating those around us in the right way. We need to open the conversation up to allow tolerance and understanding so that the past does not predict our future.

Congratulations to the students listed below who are representing the College in national and international sporting and cultural immersions. These students were formally identified and blessed as Ambassadors of Reconciliation. These staff and students will wear the College Reconciliation strip on their shirts and have committed to continuing the Reconciliation to the people they meet on these trips. In this Year of Mercy we pray that God will also bless them as they strive to promote **a change of attitude as our country continues to build towards the full recognition of our indigenous people.**

SEEKING BOARD MEMBERS FOR ST PIUS X COLLEGE, CHATSWOOD

The Board of St Pius X College, Chatswood is seeking Expressions of Interest from people willing to take up an appointment to the College Board. People interested will have a commitment to Catholic education in the Edmund Rice tradition.

An information evening will be held on Thursday **4th August 2016** at 7.00 pm in the College Boardroom. If you know of someone who you think may be interested in serving as a member of the Board, would you kindly bring this notice to their attention?

Anyone interested in attending to learn more is invited to register by phoning Christine Jennings on 9411 4733 or emailing cjennings@stpiusx.nsw.edu.au

The St Pius X College Board

From the Social Justice Coordinator

This week the **Edmund Rice Society** begin their Vinnies Winter Blanket Appeal. This is an annual event at St Pius X College where we collect as many blankets as possible for the needy and homeless.

As winter begins it is the perfect time to consider if you have any blankets at home that will not be used anymore. The blanket collection point is in the College foyer.

Last Friday Sam Fong, Declan Howle, Josh Thrum and Matt Hall all from the Edmund Rice Society along with Mr Saidi and myself travelled to The Savio Education Centre Penrith, an EREA annexe school for St Dominic's, to deliver 25 recycled Lenovo tablets and a box of SPX branded sports balls. That is the last of the 90 tablets that were donated back to the college by generous St Pius X College families.

On behalf of the three EREA annexe schools and their students in Terrigal, Wollongong and Penrith I would like to thank you for your generous donations, enabling their students to have the opportunity to become 21st Century e-learners.

The Salvation Army's annual **Red Shield Appeal** was run over the weekend. This worthwhile charity was conducted by our Youth Ministry Coordinator, Mr Adrian Brannan. Again the Salvos were able to count on St Pius X College boys to lend a hand in the local community with 26 SPX students helping with the collection throughout the weekend. Thank you for your generosity.

FUNDRAISING FOR CALLAN SERVICES PNG

Thank you to all who have donated to our Callan Services fund raising drive. We have raised a little over \$3150 in the first week; an outstanding effort from our St Pius X community.

Callan Services is part of our global Edmund Rice network and provides **education, health & community based rehabilitation services for people with disabilities in PNG**. Since its establishment in 1991 Callan Services has expanded and there are now 19 centres. Its work is having transformative and destigmatising effects on children with disabilities. In particular, its work in early detection and an inclusive education model can successfully integrate and transition some students with disabilities into mainstream classes – with some outstanding results.

The College community's support of Callan Services assists them to continue their work in transforming the lives of those living with disabilities as well as their families.

Donations can be made online through the EverydayHero link below.

Mock Trial

The perils of a teen newly armed with their P plates and a wad of cash! This round in Mock Trial, St Pius X College had the responsibility of defending a young man in a complex contractual case regarding a hotted-up car. Verbal contracts are still contracts, but we had to prove that the contract was never contracted!

Up against a crack team from Willoughby Girls, our lads put up a fine effort, not only winning the case, but also on points. This was our first win of the season and our team did us proud. Congratulations to Daniel Butler, Liam Zucconi, Ronan Apcar, Nikita Papastamatis, Harry Cavanagh and Connor Fount.

DRAMA ENSEMBLE THIS WEEK

As a one off, Drama Ensemble this week will be held tomorrow morning at 7.30am. ALL students are expected to attend, with the exception of those who are in the Senior Concert Band or Junior Choir.

SYDNEY EISTEDDFOD

The Intermediate Jazz Band under the direction of Mr Geoff Power will be competing in the Secondary School Intermediate Stage Band event next Tuesday June 7th, 5.30pm in the Concert Hall of the Concourse. Students are to remain at school once they return from the Senior Athletics Carnival. The Senior Jazz Band will be competing in the Secondary School Premium Stage Band event the following day, Wednesday June 8th at 11.15am.

DRAMA EXCURSION

Years 9 and 10 Elective Drama students will be attending a performance of "The Big Dry" at the Ensemble Theatre Milsons Point on Friday June 10th. The play commences at 6.00pm and students are to meet Ms Fernando at the front of the venue no later than 5.30pm. An excursion note has been sent home with all the details.

ENSEMBLE ATTENDANCE

With the onset of colder mornings it is a struggle to get out of a warm bed! However, an extra 5-10 minutes in bed, followed by missing the bus or train is not a reason for being late or not attending rehearsals at all. Students are reminded that they have an obligation to attend ALL rehearsals promptly – before school, lunchtime and after school.

INSTRUMENTAL LESSON ATTENDANCE

Some students have become a tad forgetful of late and have not been attending their scheduled lesson. Tutors are not obligated (nor permitted) to get students out of class. Consequently, the onus is on each boy to remember his lesson time, as well as ensuring that he has his signed Music Pass, so that he is permitted to leave class. Additionally, tutors do have access to the College calendar and are informed of most excursions in advance. However, if a student has an assessment which necessitates the re-scheduling of a lesson, it is up to the parent to contact the tutor concerned. Most tutors are more than willing to change lessons in this instance, as long as they receive sufficient notification.

IMPROVING HSC FRENCH STUDY SKILLS

On Saturday 21st of May, the Year 12 French Continuers class of Andreas Berger, Geoffrey Cipriano and Jean-Claude Blanc attended an HSC French Study Skills Day conducted by NAFT (NSW Association of French Teachers). The day was held at Sydney University and the students found the sessions to be very worthwhile. Below are some of their accounts from the day.

We, along with over 300 other students, were treated to a number of speakers in one of the university's lecture halls. Each speaker had something to offer regarding the separate skills covered in the French HSC. The topics of Reading, Writing, Speaking and Listening Skills were discussed and many useful tips and tricks were given on how to approach studying for the exam and the exam itself. It was a good learning experience, I received plenty of helpful advice and affirmed on what I already knew about the exam.

Geoffrey Cipriano

The lectures revolved around the topics of Speaking, Reading, writing and Listening in the French, all of which were formally conducted by experienced French HSC markers who provided valuable tips and feedback to the overall improvement of our French studies and progress during the HSC year. Over 300 students attended! The day was indeed a success and not only were we briefed on how to improve our French, but also on the possibilities of continuing French after school and onto University. This includes a wide range of opportunities including travel, exchange and even completing studies at an overseas university.

Jean-Claude Blanc

We thank NAFT for organising such a comprehensive and invaluable day for our students. Now our Year 12 students need to harness this knowledge and incorporate it into their study regime and examination skill set. We wish them every success in their HSC studies.

Ms S Sumner, French Teacher

Public Speaking & Debating

Last Friday 27th May, St Pius X College travelled to St Patrick's College, Strathfield. Our teams presented excellent debates with the 12a, 11a, 11b, 10b, 9b, 8b, 7a, 7b teams winning on the night. Thank you to all debaters for their excellent behaviour on the bus and when we arrived early at St Patrick's to continue our training. A special thank you must go to the Year 11 and Year 12 debate leaders who manage all students on our trips to other venues and to James Camilleri and Matthew Harris and Hans Lee (our adjudicator/coaches) who travelled with us on the night.

- Debating training for this term will be 3.15 - 5pm Friday afternoon 3rd June (THIS WEEK 6) and Friday afternoon 17th June (WEEK 8).
- The long weekend means that we will not have training on Friday 10th June (WEEK 7). This means that there are only two Friday training sessions left this term.
- This Friday 3rd June is the first of the Elimination Rounds.

All teams who have won 5 from 6 debates will be in the Elimination 2 round on the 17th June (venue to be decided), except for **Year 8 b** who will be competing against Rosebank this Friday at St Pius for a 6pm coin toss. **ONLY YEAR 8 (a & b teams)** will be required to stay back at St Pius this Friday evening after 5pm training for the debate against Rosebank. **ALL other teams can leave THIS WEEK at 5pm after training.**

On Friday 17th June (Week 8) BOTH A & B TEAMS OF YEAR GROUPS who have moved through to the Elimination 2 round will be travelling to the debate venue after 5pm training concludes. All other debaters can go home after 5pm training. Your names will be marked off at training this week and next week so it is vital that ALL DEBATERS turn up for training.

TERM 3 SYDNEY DEBATING NETWORK COMPETITION

Next Term St Pius is in the Sydney Debating Network competition (details to follow or see Week 1 Term 1 Woodchatta 2016). This competition runs for 6 weeks on Friday evenings so training will continue into next term. Your coach will have more information on this competition. Anyone who has a problem with this please speak to your coach.

From the History Department

On Monday 30th May all of Year 10 were privileged to see the performance of Brett Hunt's one man show 'Fighting For It'. Having studied Australia and World War I, the students are just about to begin their work on World War II. Brett's show was a tremendous introduction to this topic. It is based on his grandfather's experiences in the war and is set on an Anzac Day many years after 1945. Australians' experiences of the war, the attitude towards the Japanese, the role of women and why Australians enlisted as volunteers are just some of the topics that the show touched on. The emotion and humour that Brett brings to all of his shows kept the Year 10 History students engaged in this very personal story.

DA VINCI DECATHLON 2016

Last Thursday we took part in the Da Vinci Decathlon 2016 competition at Knox Grammar School. Well done to all the boys on their commitment and work leading up to this day. The competition places a particular emphasis on higher order thinking skills, problem solving and creativity. **Students work collaboratively** in teams, and are highly stimulated by competing in tasks that Mathematics and Engineering, General Knowledge, Code Breaking, Creative Producers, Art and Poetry, Science, English and Cartography.

All boys competed with genuine enthusiasm and can be proud of their efforts against tough opposition. There was a total of 129 teams with 995 students from all over NSW present on the day. Of particular mention was the outstanding teamwork and commitment to the training sessions leading up to the day, and the Year 6 team who was awarded 3rd Place in Code Breaking section, an outstanding achievement. Well done boys! Look forward to doing it all again in 2017!

FOOTBALL

Dear Parents and Players, A much better weekend of results on Saturday with the majority of teams having resounding wins. Team of the week couldn't be split between the 1st XI (7-0), 16A, (7-0) and 16B (6-0). For the second week in a row, player of the week goes to 2nd XI player Connor Brannan, this week for four individual goals. Not bad considering for all of Connor's previous football career he has played as a goal keeper.

This weekend sees both home and away fixtures. Fields can be found at the following locations:

Walsh: Dreadnought Road, Oxford Falls

Mason Park: Underwood Rd, Homebush

Campbell, Northern, University fields are part of Macquarie Uni playing fields located at the corner of Culloden and Talavera Roads, Marsfield

We wish our 1st XI luck in their semi-final of the NSWCIS cup against current trophy holders, Moriah College. The game will be played on Wednesday 8th of June, 6:30pm at Valentines Sport Park, Glenwood. Supporters' buses will travel to and from the event; interested students need to listen out for registration details.

Good luck to all teams this weekend.

THERE'S JUST NO SUBSTITUTE FOR PACE

In another very creditable 1st XV win on Saturday; midway through the game Hugh Roberts made a “blistering” break through the opposition defence. Accelerating to top speed very quickly!! In another world a long way away, I would have signed him up immediately, because top speed off acceleration is devastating!!

In the games we lost on Saturday that was the main difference. We have the spirit, the desire, the effort and will to win but if the opposition have “speed machines” it is hard to deal with. One of the ways you deal with it is to get off the defensive line quickly and cut down the space the “speed machines” have to work in.

1^{sts}, 2^{nds}, 16Bs and 13Bs all won and 13Cs gained a creditable draw. Gary Mullens voted players player in the C's, well done! In the 16 B's Sam Kafer, Jack Roberts and Sam Maisey stood out in what Mr Hopley described as another very “methodical” performance. Alex Heart's early try inspired the 13Bs win. Our opens, seconds are enjoying a very productive season with “Big Dan” and Josh Coy outstanding! Big Dan, Joe Kebelis and Ollie Fisscher going on to make their first team debuts later in the afternoon. Well deserved!

In the games we lost no one could fault the Pius spirit, typified by what is becoming the “Steinman hour” with the 14C's down on Watkins, with Tim Roser, David Cass and Charlie Coulan playing well. 14As went behind early in the game but showed remarkable resilience to come back and almost force a win. Good to see Tim St John get on the score sheet. 13As and 16As came up against outstanding opponents where pace and organisation tested our defences. Braddock, Penosa and O'Neil working really hard for the 13As.

All our teams will have clear areas to focus on at training this week before we make the trek to Kinross. Please see below a useful piece of tackle contest coaching.

<https://www.youtube.com/watch?v=MjFYU4F5fyc>

Looking forward to catching up at Kinross.

ISA TENNIS

Last weekend was a mixed bag for our Pius Tennis teams. While the weather held off for a while, our Away teams where all washed out halfway through gameplay.

This week all our players will be re-ranked, based on performance at both training sessions and competition matches. Details of new Divisions and positions will be emailed to all players soon.

This weekend will see our teams playing against Oakhill. Good luck to all!

AFL

Round 5: The boys performance last Saturday was consistent with previous weeks as they took a while to get going but got into a decent rhythm by quarters 3 & 4. Barker were solid competition with several experienced players.

Will Halliday had a very strong game for Pius and once again led by example – even the Barker coach came over to comment on his outstanding performances. Will pulled off two huge bumps right in front of the parent crowd – inspiring stuff and totally text book. Jack also had a great game, particularly with his strong kick outs. He listened well to what the coaches had to say and made some good adjustments – kicking long and deep and away from all the Barker defenders. Connor also played really strongly, being busy around the ruck – another player to be building in confidence.

Report by Guest Coaches: Max Hollinger & Mark Sykes

Outstanding Players: William Halliday – 3, Connor Lynch – 2, Jack Leonard – 1

MINDMATTERS FOR FAMILIES

Keeping Kids In Mind

A Course for Parents Experiencing
Conflict After Separation

Brookvale

Parents love their children and want the best for them. However, after separation parenting often gets much tougher.

Keeping Kids in Mind is a 5 week course for separated parents who are experiencing on-going conflict. The course is designed to:

- assist parents to see through their children's eyes the experience of parental separation.
- develop greater understanding about how to support their children following family separation.

The course covers the following topics:

- Grief and Loss after Separation
- The Hidden World of Children
- Rebuilding Resilience
- Bridging the Gap
- Looking Back, Moving Forward

Positive Parenting Program

Free seminar, refreshments provided

This program is a lecture style presentation and does not allow for children to attend that are over 6 months and mobile. Childcare is not provided

This program consists of 3 seminars held over 3 weeks designed to introduce the principles of Positive Parenting. Parents learn how to encourage their children to learn skills which promote children's health, development and wellbeing. This program is aimed at parents of children aged 0-10 yrs.

[SEMINAR 1](#)

THE POWER OF POSITIVE PARENTING: Wednesday 10th August 10:30am-12:00pm

FOOTBALL NEWS

Great results from last week's round returned most teams to the winner's podium.

The **1st XI** will be playing Moriah College in the semi-final of the CIS Cup on Wednesday 8th June. The school is sending 2 buses of boys interested in supporting the 1sts, so they will have a vocal supporter group.

We hope you are enjoying the '**Full Time**' senior weekly results flyer.

This week we will produce a special Junior School Edition so we ask all junior parents to take photos and send to footballspix@gmail.com

Thanks to those parents who did contribute. All photos parents have sent in are now on the Photo gallery web page.

This week's teams in profile are 14As & 13Bs & 4th XI - so if you have a boy in one of these teams get snapping. Send your photos to footballspix@gmail.com - save this to your phone and upload those photos as soon as you take them. We need the photos in by Sunday afternoon.

REFEREES COURSE

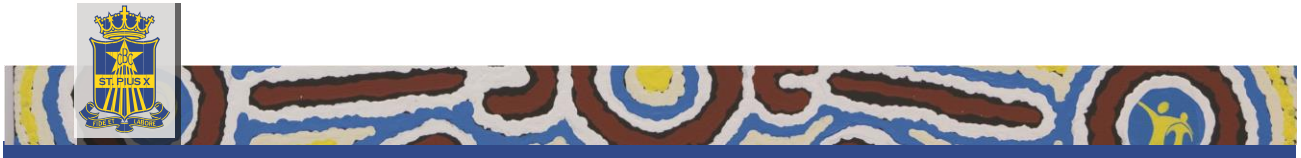

We have only had a couple of interested boys for the referees' course to be held during the upcoming June/July vacation. **We need 15 to go ahead so please confirm this week.** It will be open to boys 15 and older, the course which is conducted by the FFA Referees Association. The cost will be subsidised by the Football Club. Please email footballclub@pandf.spx.nsw.edu.au if your son would be interested.

The football club will also be holding another **Vacation Football Skills Camp** – booking will open shortly.

We wish all our teams good luck this weekend -- **GO PIUS!!**
