PRAYER
Saint Matthew 5:13-16

On Tuesday of this week, the daily Gospel from St Matthew was the beautiful reading of Salt and Light where Jesus teaches us to keep faith and go and do good works for others in God’s name.

Jesus said to his disciples:
“You are the salt of the earth.
But if salt loses its taste, with what can it be seasoned?
It is no longer good for anything but to be thrown out and trampled underfoot.
You are the light of the world. A city set on a mountain cannot be hidden.
Nor do they light a lamp and then put it under a bushel basket;
it is set on a lampstand, where it gives light to all in the house.
Just so, your light must shine before others,
that they may see your good deeds and glorify your heavenly Father.”

ATHLETICS CARNIVALS
Yesterday was a beautiful day for the Senior School Athletics Carnival and the victorious House was Treacy. Congratulations to House Captain Tom Graziotto and all team members. More information can be found in the Senior Sports section of this newsletter.

Next Wednesday 15 June the Junior School Athletics Carnival will be held at Sydney Olympic Park Warm-Up Venue, Homebush. An email has been sent to Junior School parents inviting them to attend as spectators or in an assisting capacity.

END OF TERM
The College has very generous holidays and I urge parents not to take their son out of school before the end of term. Every day’s learning counts and the last day for students this term is Thursday 23 June.

REMINDER TO PARENTS: DROP OFF IN KIRK STREET
Parents are reminded of the procedure for dropping off their sons in Kirk Street in the mornings. Please stop in the designated area. Those parents who do the right thing are being obstructed by other cars which have stopped in the turning circle to drop off their sons. I know all parents will appreciate everyone adhering to this procedure to ensure the safety of our students.

The St Pius X College Board
From the Assistant Principal Mission and Identity

This week Year 11 attended the second of their Reflection Days and the theme was ‘Finding my own voice’. Students explored the challenges of being dependent on the expectations of others and the need to develop the confidence to be true to becoming the person that they want to be.

The organisation called REACH ran a session that identified and broke down some of the barriers that influence our behaviour and self-esteem. Through the image of an onion, students discussed how we build layers around ourselves that are based on how others see us and within these layers we have to tackle the maze to our real and true identity. These concepts are very relevant for all students but even more for Year 11 considering their step up into Senior School this year and their impending leadership roles.

"Don't be trapped by dogma - which is living with the results of other people's thinking. Don't let the noise of other's opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become."  
- Steve Jobs

From the Social Justice Coordinator

This is the final week of the annual St Vincent de Paul Winter Blanket Appeal run by the Edmund Rice Society for St Pius. Whilst the first week only saw a few blankets deposited in the College foyer collection point, with all the wet and cold weather we have had, it should be a timely reminder to bring in any that you have that are no longer being used.

Last Tuesday evening I was privileged to accompany seven St Pius X College boys from Years 10, 11 and 12 to the Mount St Benedicts Social Justice Forum. The boys had the opportunity to choose from 30 different advocacy groups regarding a huge range of social justice issues from asylum seekers, fair trade, climate change in the South Pacific, abuse in the family, and many more. The key note speakers for the evening were Lucas Patchett and Nicholas Marchesi, the founders of Orange Sky Laundry.

These two young men, dual Young Australians of the Year 2016, addressed almost 500 students from around the Diocese. They spoke with passion about how Orange Sky Laundry is a world first and how it does so much more than wash the clothes of the homeless. Their foundation restores dignity, lowers infectious disease rates and for an hour whilst they are there turns scary areas where homeless reside into a meaningful and joyful area. These two boys spoke of how having an idea, a passion and the drive to achieve was all they had, and now Orange Sky Laundry is nationwide. Lucas and Nick are also EREA educated boys from Queensland. A donation of $6 to Orange Sky Laundry is all it takes for them to achieve one wash.

YEARS 5 TO 10 SEMESTER ONE ACADEMIC REPORT

Dear Parents,

Teachers are now well in the process of finalising grades for Semester One reports for students in Years 5 to 10. Evidence of student’s learning is being collated and will be used to determine levels of achievement. As stipulated by BOSTES, a standards-referenced approach is used for assessing and determining student achievement in Years 5 through to 12.

In standards-referenced assessment, the achievements of a student are reported using the A to E Common Grade Scale which will appear on the Semester One Academic Report.

Year 7 to 10 Reports will be available on the Parent Portal at the end of the final week of Term 2 and an email notification will be sent. They will then be sent in the mail. Please take the opportunity to check your access to the Portal by using the link on the College webpage. If you do have difficulties, in the first instance please use the ‘forgot password’ facility. If problems persist, please email Ms Leonie Millar lmillar@stpiusx.nsw.edu.au

YEARS 5 TO 10 PARENT-TEACHER-STUDENT MEETINGS

Parent-Teacher-Student meetings are an opportunity to discuss your son’s level of achievement and for him to reflect on his learning so far this year.

Meetings are scheduled from 8.00am through to 6.00pm on Tuesday 19th July. Next week, parents will be emailed details on how to access the online booking facility.

ST PIUS X COLLEGE HOSTS EMPOWERING YOUNG MINDS FORUM

Attended by nearly 200 students from Northern Sydney High Schools, St Pius X College hosted the 2016 Empowering Young Minds Forum last Friday 3rd June at Oxford Falls. The Lifeline Forum was opened by NSW Premier and Member for Manly, Mike Baird, who led a team of experienced speakers and health advocates to present poignantly on the impact of positive action to address mental health and wellbeing issues among young people. Our Year 10, 11 and 12 MindMatters Student Empowerment Teams then met under the guidance of Mr Russo, Ms Foord and Ms Allington to plan initiatives which will keep St Pius X College at the forefront of advocacy for Mental Health awareness and action.

Hosting the event would not have been possible without the generous support of our parent community team led by Mrs Susan Kerlin and featuring Mrs Moran, Mrs Ward, Mrs Thompson, Mrs Marino and Mrs Kennedy, also Mrs Erickson from our Tuckshop and her early team who prepared the “dietary requirements” sandwiches, and the Old Boys Association who sponsored the BBQ lunch.

Also worth noting was the contribution of “leadership through service” of our Year 9 and 10 House Vice Captains who worked efficiently to welcome and host the 15 visiting schools and distinguished guests throughout the day.

Public Speaking & Debating

YEAR 8 DEBATERS – ELIMINATION ROUND 1

From the Year 8 coach, Dr Meale:

Last Friday night our Year 8 Team B debaters faced a formidable opponent, Rosebank College, in the first elimination finals of the CSDA Debating Competition. The topic was challenging: That School’s Encourage Innovation. Having lost the coin toss, our team argued the negative. The boys rallied together as a team to present a strong case. Ethan Tat laid a solid platform as first speaker, with William Falzon providing important insights into his interpretation of the topic through a variety of examples. Our third speaker, Daniel Halverson brought the debate home with a well-structured rebuttal and summation of his team’s case. The debate was tight. Yet our boys never gave up, working together to the very end to provide Daniel with assistance for his speech. Congratulations to the boys on their success. The presence of St Pius X College Year 8 Team A in the audience was essential to this victory, providing moral support for our team. All Year 8 debaters will be working together to assist this team in preparation for their next debate in the second elimination final round.

The Elimination Round 1 is an odd event. There were 17 teams in the Year 8 CSDA draw who won 5 from 6 debates but only 16 teams can be fielded into the Elimination Round 2 (down to 8 in the Quarterfinals, 4 in the Semi Finals, 2 in the Finals). Therefore two teams had to compete for a place in the Elimination Round 2 to be held on 17th June. St Pius X and Rosebank were pulled out of a hat. Looking on the bright side, our Year 8’s had the opportunity to engage with a formidable opponent and to receive excellent feedback from the highly experienced independent adjudicator, and their coach, before they move to the Elimination 2 Round. All other teams in Elimination 2 will have had a 3 week break from debating. Our Year 8s will face St Patrick’s College, Strathfield on the 17th June at Christian Brothers’ College, Lewisham.

I was privileged to spend some time with the Year 8 team last Friday night and they are a truly amazing group of young men (as they were in Year 7). The A team stayed back to support the B team on the night and it was obvious that this group of young men are just so happy to be together! Dr Meale and I had decided that we didn’t want the Year 8 boys going over to Westfield for their dinner as they would not have the rest of the debaters (Years 7-12) in the vicinity on such a rainy night and with an increased population of ‘Vivid’ tourists in Chatswood. Instead we ordered pizza to have back at school. It was wonderful to watch this group of terrific kids enjoy a meal together, the talking and laughing around the table was electric. Thank you to the Year 12s and their coach and Ms Sumner who popped in after their training sessions to congratulate the Year 8s and to wish them well for their debate later in the evening.

The night ran so smoothly! Three Rosebank students and four Rosebank parents arrived at around 5.30 and our one debate for the night went without a hitch. I believe that this B8 team’s fight to the last breath will go down in history—I certainly will be recounting this debate experience to teams in the future. Congratulations on an exceptional presentation of sophisticated and detailed argument on a difficult topic to argue for the negative. Congratulations also to the wonderful Year 8 coach, Dr Meale.

Our amazing Year 10B and Year 12B teams also deserve congratulations for their achievement of moving through to the Elimination Round 2 to be held at Marist North Shore on the 17th June. The Year 10 team will be against Loreto, Normanhurst and the Year 12s against Champagnat College, Pagewood. Our Year 12A team (undefeated) has moved straight to the Quarterfinals. Congratulations to these wonderful teams and their amazing coaches, Ms Easton and James Camilleri.

More details on travelling to these two venues will be provided in Woodchatta next week.

SENIOR ATHLETICS CARNIVAL

Having suffered through one of the worst storms in Sydney’s history on the weekend, the Senior Athletics Carnival was blessed with fine weather and a fantastic display of athletic prowess. The level of competition on show was exceptional and epitomised by the duel for the Year 12 Opens High Jump crown which was eventually won by Sam Richardson, jumping 1.86m to beat Sean Gillott by a centimetre. The eventual winner was Treacy House.

GREAT COLLECTIVE EFFORT

Despite conditions that would have made Noah raise his eyebrows, Team St Pius X rugby came away from Kinross with 9 wins and 2 losses.

I could write about individual contributions and I will mention some, BUT on days like Saturday it is the collective effort that forges character and re-enforces the Team St Pius X spirit. Squelching from pitch to pitch on Saturday there was no letup in Pius endeavour! Travelling long distances can and often is a problem for the top professional players and teams...they have a readymade excuse for poor performance. For Team St Pius X rugby it was not a problem and the players, coaches and parents can take immense credit for helping to create that culture.

On the field it is easy to “play to the conditions”, accepting that it is very difficult to play the way “we would like to play”. However it is the players and the teams who identify when not to play that way that get the results. In every game there are moments when taking a pass and running head down forwards in bad conditions would be the acceptable option, unless making the pass, and having both the foresight and confidence to do it contributes to the next score!

Lachie Onslow in the 13As made two such passes which led to two tries and a win; a great sleight of hand from a big player.

Elsewhere there were examples of on field leadership: Chambers in the 14Cs - 3 tries (The Steinman Hour could easily become a serial!) Tom Findlay in the 16As - week in, week out he puts it in! Our three Opens teams played as though they loved every minute of it! 16Bs cruised along their winning ways with Liam Hunt a standout, and 15As recorded a huge win on the back of a great training session on Thursday.

To all parents, coaches and players, it is the collective effort of everyone that contributes so much, because when a player “looks around” there is support for him from all areas!! Long may it remain.

Have a great long weekend and thanks for all your efforts.

HANDWRITING SKILLS COURSE

How is your son’s handwriting? Does your son’s handwriting affect his ability to get his ideas down on paper in a coherent and legible way? Would improvements to the speed and style of his handwriting help him perform to his potential on tests, exams, assignments and assessments? Does he experience pain when writing?

Designed and run by an experienced occupational therapist, this program has been developed to bring creativity and good mechanical and organisational skills to the practice and improvement of handwriting.

The Program will include activities with a dramatic twist to:

- Promote imagination and foster a desire to write
- Encourage focus and concentration
- Develop upper limb muscle control, eye hand coordination and finger strength and dexterity.
- Identify the right tools and spaces so writing feels comfortable and is optimised
- Focus on good writing ergonomics
- General assessment of writing to see what’s working and what’s not
- Get organised with writing tasks

The program will be run on a small group basis (approx. 8 students) so that professional guidance, peer feedback and modelling can be maximised.

The program will run over 8 consecutive weeks (from week of 25 July up to and incl. the week of 16 September) with a make-up week also offered if required.

**Time:** 3.20pm – 4.30pm each school day afternoon depending on demand  
**Location:** St Pius X College, Leary Learning Centre, D Block  
**Cost:** $280.00 per student

You may be able to claim on your Private Health Insurance cover for this program if your policy includes OT under extras cover – item Number 300 Group therapy intervention.

Could your son benefit from touch typing skills for a wide variety of his writing and communication needs at school and beyond?

Having great touch typing skills is a must-have skill in our digital world. This is an essential academic skill which can be learnt, improved or mastered with practice. It can help your son to organise his thinking and planning, and save him time and mental energy when producing written work. Touch Typing skills are also highly valued in the workplace, so there are long-term benefits for establishing better typing skill and speed during the school years. Understanding and adopting good posture when typing can also affect your body, and lead to an immediate reduction in pain and fatigue, and reduced risk of developing long term chronic health problems.

Designed and run by an experienced occupational therapist, this program has been developed to give students the touch typing skills they need to undertake effective word processing on their PLDs, in a way that develops good and sustainable typing habits, encourages improved desk ergonomics, and improved typing speed and accuracy.

The course is designed to bring creativity and fun to the practice and improvement of typing for homework, assignments and self-directed tasks.

The Program will include activities with a dramatic twist to:

- Develop fine motor skills, eye hand coordination and finger strength
- Look at overall posture and ergonomic workstation set up
- Teach how to touch type, using a popular and easy-to-learn system
- Give incentives to make practice manageable

The program will be run on a small group basis (approx. 8 students) so that professional guidance, peer feedback and modelling can be maximised.

The program will run over 8 consecutive weeks (from week of 25 July up to and incl. the week of 16 September) with a make-up week also offered if required.

Time: 3.15pm – 4.30pm each school day afternoon depending on demand

Location: St Pius X College, Leary Learning Centre, D Block (L2, or computer lab tbc)

Cost: $280.00 per student

You may be able to claim on your Private Health Insurance cover for this program if your policy includes OT under extras cover – item Number 300 Group therapy intervention.

RUGBY UPDATES VIA TWITTER
Quick, Easy & Free to set up!

As you are aware, the College has an easy way of disseminating key sports information to the St Pius Chatswood community through Twitter. The Rugby Club also has an account so you can follow us on Twitter to receive last minute updates regarding fixtures (ground changes, wet weather updates, cancellations etc).

We would highly recommend that you set-up a Twitter account and follow us. You can then have Text messages sent directly to your phone like a normal text without requiring you to even open Twitter; allowing for instant updates as to your son’s sporting commitments. This could also mean that you avoid unnecessary travel in the event of cancellations and that you are aware of your son’s whereabouts with regards to sport.

NB. These updates will be one-way transactions that are designed purely as an information dissemination tool. We will not ‘follow’ you on Twitter and you will not be able to respond or communicate with us.

How do I set-up an account?
Set-up takes 2 minutes and is free. You are not obliged to send any ‘tweets’ or follow anyone else.
SPX has 3 accounts:

1. Senior School Sport: @SPXSeniorSport
2. Junior School Sport: @SPXJuniorSport
3. School Rugby: @SPXRugby - providing specific updates, news & info (rugby often succumbs to last minute location/time changes outside the school’s control).

Go to: https://twitter.com/ Search for the relevant account holder and click follow.
To receive text updates to your mobile phone:

1. Download the Twitter App to your phone (this is available from the App Store or iOS devices, the Google Play store on Android devices and the Windows Store on all Windows Phones and Tablets).
2. Then, to enable your phone to be notified when we send an alert, go to Twitter.com on your desktop or laptop computer and once you are logged in, choose settings.

3. Go to the ‘Mobile’ tab and follow the prompts (You must text ‘GO’ to the number provided)

4. From the Twitter home page, click ‘Following’ Tab on the left menu bar. Click the person icon next to the relevant Sportmaster and select, ‘Turn on Mobile Notifications’
